

St. Francis Episcopal School encourages summer reading to prevent a “summer academic slide.” Summer reading is also a time when students should enjoy reading books that relate to their interests. Suggested reading lists come from the Houston Area Independent School Library Network (HAISLN). The books on the list are suggestions only — parents should review his/her child’s choices to ensure that the selected books are a good match for their child’s reading, interest, and maturity levels.

## GRADE 8 SUMMER READING 2020

- › **Required Title:** *Monster* by Walter Dean Myers
- › **Two free choices from HAISLN 7 and 8 reading list or Texas Lone Star list**
