#### **Parents, Please Take a Brief Survey to Help Us Plan**

As part of our strategic planning process, we are surveying St. Francis parents. **Your input is critical in shaping our path forward.** Please take a moment to complete the survey, which is available by [clicking here](#).

#### **You 'Art' to Check Out Our Online Gallery Winners!**

Friends of Fine Arts offers a big round of applause to this year's Fine Arts Online Gallery blue ribbon winners—whose art ran the gamut from a ceramic turtle to a one-of-a-kind self-portrait to wildlife in copper repoussé! [Please click here to view the gallery](#).

These students and their families were honored at a reception on Tuesday, and you can take a peek at their artwork in the People Place. Special thanks to our Lower and Middle School visual arts faculty members Emily Arnot and Amy Chandler for their guidance and inspiration!

### **Health Forms for 2018-19 Now Available**

Information about health-related requirements and all the necessary health forms for 2018-19 are now available. You can access them through the Parent Portal using the “Magnus Health Information” link or by [clicking here](#).

Please note that completed Magnus Health forms for the 2018-19 school year are due by **Friday, June 1**.

### **2018-19 School Supplies: Online Ordering Now Available**

School supplies may now be ordered online for the 2018-19 school year.

Visit [www.educationalproducts.com/shoppacks](http://www.educationalproducts.com/shoppacks), and enter your division’s ID code in the box provided:

- To order a school supply pack for a student in LOWER SCHOOL, enter the code STF001.
- To order a school supply pack for a student in MIDDLE SCHOOL, enter the code STF018.
- To order a school supply pack for a student in UPPER SCHOOL, enter the code STF079.

**The deadline to order is Sunday, June 24, 2018.**

Supplies will be delivered to your child's homeroom prior to the first day of school.

#### **Please note:**

- Incoming seventh, eighth, and ninth graders must have a TI-84 graphing calculator for the 2018-19 school year. If you don’t already own one, you will want to purchase the newest model, the TI-84 Plus CE graphing calculator. The TI-84 Plus CE is approximately \$135-\$165.

- Similarly, incoming sixth graders will need to purchase a TI-30Xa scientific calculator for the 2018–19 school year if they don't already own one. These are approximately \$12-\$15.
- *These items can be found at local and online retailers.*

Please [e-mail Kim Graeter](#) with questions.

### **FoFA Presents Kipling Quartet for Student Enjoyment**

Friends of Fine Arts is pleased to provide opportunities to celebrate the arts at St. Francis—most recently by presenting the Kipling Quartet for the enjoyment of the St. Francis community. Students, faculty, and staff enjoyed listening to the beautiful music performed by Oleg Sulyga (violin), Sylvia Oullette (violin), Lorento Golofeev (viola), and Steve Estes (cello).

Sylvia is a member of the St. Francis School of Music faculty and plays at St. Francis Episcopal Church's 11:00 a.m. service. Oleg plays at the church's 9:00 a.m. family service.

As Stevie Wonder sang, **“Music is a world within itself, with a language we all understand.”**

### **FoFA Needs Your Help This Tuesday**

Friends of Fine Arts needs your help changing out the art in the People Place **this Tuesday, May 8, from 10:00 a.m. to 12:30 p.m!** The frames need to be emptied, cleaned, and remounted with fresh student artwork.

It's easy and fun—and you may even get to see your child on his or her way to class or lunch! What a great way to help beautify our school!

[Click here to sign up.](#)

### **Parent Community Bible Studies**

Please join us for upcoming Bible studies aimed at our parent community:

#### **DADS' BIBLE STUDY WITH FATHER WISMER**

- **Thursday, May 10, at 7:15 a.m. in the Christian Education Rooms** (at the end of the Middle School hallway)

- This study explores faithful obedience in the Gospels and helps us uncover and develop practices of faithful obedience.
- All dads are welcome!

### **MOMS' PRAYER DEVOTIONAL WITH MRS. HEINEMANN**

- **Monday, May 14, at 8:40 a.m. in the Chapel of St. Clare**
- This is a peaceful time of scriptural reflection, prayerful meditation, and supportive fellowship.
- All moms are welcome!

### **End-of-Year Collection Due This Friday**

If you have not done so yet, please note that **this Friday, May 11, is the last day to contribute to the end-of-year collection for St. Francis faculty and staff!**

This program has been very successful over the years due to the generosity of our parent community. It's a win-win for all: It's an easy way to show appreciation to faculty and staff, and it honors the *School Handbook* policy that prohibits the solicitation of money for individual gifts.

You may make your contribution via credit card or PayPal in the online store through the MySchoolAnywhere app [here](#). If you would prefer to pay by check, please leave it in the Parents Association box in the school office. Please make checks payable to the St. Francis Parents Association and write "End-of-Year Gift" in the memo section of the check.

The gifts will be presented with a thank-you letter on behalf of all St. Francis families, and we know our faculty and staff will be truly touched by your generosity.

### **Sign Up for Summer Camp Notes by May 21**

Summertime is almost here—and that means summer camp! As your children head off toward adventure, help Father Wismer or Mrs. Heinemann send them a bit of St. Francis love by completing [this form](#). **The sign-up deadline is Monday, May 21.**

## **Donate Your Gently Used School Uniforms for Resale**

As the school year comes to an end and the kiddos get bigger, it's time to clean out those closets and make room for summer!

Please bag up any *clean, gently used* uniform items your child has outgrown and drop them at the location that's most convenient for you:

- On the **Main Campus**, please leave them at the front desk with Rose Ann Gregory.
- On the **South Campus**, please leave them at the front desk with Leslie vanArsdale.

Questions? E-mail [the Uniform Resale Boutique](#).

Thank you!

Angela Bookmyer, Jill Smith, and Kristin Valicek

## **The Tellepsen Challenge: Put Some Swing in Our Playground Renovation!**

*The Tellepsen family doesn't play around.* That's why we're so pleased to roll out the Tellepsen Challenge, a matching gift opportunity that pairs the generosity of one of Houston's most philanthropic families with the giving power of the St. Francis community. When the Tellepsen family learned of our plans to renovate our Main Campus playground—complete with installation of all-new equipment and the eventual addition of a soccer field and outdoor basketball court—they jumped in with an offer to match kickoff donations dollar for dollar up to \$150,000.

What this means for you is **double the giving power** of your Tellepsen Challenge donation! What it means for our Lower and Middle School students, however, is even more powerful. Outdoor play on fantastic updated and expanded facilities can only be made more special by the social, emotional, and physical boost that comes from time spent in nature among friends.

To help make this long-held dream a reality, please contact Head of Development Kelly Cliburn by [e-mail](#) or at 713.458.6172. And please join us in thanking the Tellepsen family for their game-changing kindness!

## **Primary School**

### **From the Division Head**

Several times a week, a meeting brings me to the Main Campus. While I don't know many of the students there, I do know most of the faculty and staff, and I see their interactions with their students.

There is mutual respect between the students and adults. Teachers have high expectations for students to learn, to lead, and to handle themselves responsibly, and students understand what is expected of them. St. Francis is a safe place to take risks and make mistakes. No one expects perfection, but they do expect students to give their best effort.

I enjoy seeing how students—from the very youngest kindergartners through eighth graders—are guided masterfully by teachers and staff who understand the right balance between how much help and how much independence is needed to support student growth. They know that this formula changes throughout the year, and they raise the bar incrementally to ensure that growth is steady and expectations are appropriate.

It is always hard to see the oldest class of students leave your division at the end of a school year. This year will be no different when our Primary II students matriculate to kindergarten on the Main Campus.

However, knowing that they are prepared for the challenges ahead and are joining faculty and staff who will care about them just as we have makes it easier. We may be in different divisions, but we all share the same mission. We strive to “challenge and motivate students in an academically and spiritually stimulating environment to become imaginative, critical thinkers and people for others.”

I can't wait to follow our Primary School students' journey next year. They are ready for the next adventure!

All the best,

Amy Whitley, MA  
Head of Primary School

## **2018-19 Faculty Transitions**

**Maggy Britton** is new to St. Francis and eager to join our Pre-Primary team. She currently teaches pre-kindergarten in public school and previously taught in North Carolina. Maggy holds a BA degree from Rice University and an MEd from Vanderbilt University. She is currently enrolled in the Rice Literacy Storytelling Program, and will be a wonderful addition to our Pre-Primary teaching team!

**Emily Hughes** will transition from our Primary I program to Primary II in the fall. Emily joined us this year following her teaching experience with pre-K students in public schools. Emily is a mentor and leader in the Rice University School Literacy and Culture program. The PII team is excited to welcome her!

## **Notes From the Clinic Manager**

### **ADDITIONAL INFORMATION REGARDING FIFTH DISEASE**

One of the reasons we report cases of fifth disease in schools is because of the potential harm to pregnant women and their unborn children. The CDC reports that about half of pregnant women are immune to fifth disease (*Human parvovirus B19*), and that women who are not immune usually only have mild illness if they are exposed. While it is reported that babies usually do not have any problems, unborn children CAN experience serious complications, including severe anemia, heart failure, and even death. Please contact your doctor or health care provider for additional information, or if you suspect that you or your child has symptoms of fifth disease. (Learn about symptoms [here](#).)

For further guidance, please contact your doctor or health care provider. Additional information may also be found on the CDC website [here](#).

### **SCHOOL CLINICS ARE PAPERLESS**

Please remember that both school clinics are paperless. Please do not drop off physical exams, immunization records, or other medical documentation to the school or via the school bags. All documents must be scanned and

uploaded to your child's Magnus account. If you do not have a scanner, there are multiple free apps that you may download on your phone to achieve a better-quality document than can be achieved through a cell-phone photo.

### **MAGNUS DOCUMENT UPLOADING: PLEASE DON'T 'BUNDLE'**

When uploading your child's documents into Magnus, please do not "bundle" the different forms together. Physical exam forms, immunization records, action plans, and medication permission forms each have their own folder in Magnus; each of these documents needs to be uploaded into its respective folder for review and approval.

### **DON'T HAVE YOUR DOCTOR'S OFFICE FAX DOCUMENTS TO MAGNUS**

You may see a cover sheet providing the option to have your doctor's office fax records to Magnus. However, for several reasons, we discourage this. The most effective method is for you to scan your documents and upload them yourself.

Should you have any questions regarding Magnus, please feel free to call Michelle Ly, Primary School clinic manager, at 713.458.6167.

**Have a great summer!**

## Lower School

### **From the Division Head**

I hope this finds you enjoying your Sunday afternoon!

Last month was National Poetry Month, and I know many grade levels explored poetry and shared their learning with you at Declamations. We also had our first annual ***Poem in Your Pocket Day*** last week. Every Lower School student made a pocket of some sort and chose one favorite poem they had written to place in the pocket.

All day, we visited different grade levels and shared our poetry with one another. We had surprise poetry readers visit some pods. This day also provided the children with the opportunity to practice speaking and reading with fluency in front of both their peers and other age groups of students. In addition, faculty members chose their favorite poem, and we displayed them across our halls for everyone to enjoy. It is so heartwarming to be part of a community that celebrates literature and authentic writing!

**Parents of students in grades 1–4, please join us in the Crum Library at 8:15 a.m. on Tuesday, May 8, for a discussion on “Avoiding the Summer Slide.”** We will give you some great ideas, plus activities to do over the summer to keep your child plugged in and actively learning.

Additionally, for **parents of Primary II and kindergarten students, we will be talking about “Engaging Your Child in Summer Reading” in the Crum Library starting at 8:45 a.m. on Friday, May 11.** Reading to and with little people looks different than reading with older children, so we hope you will join us for some great discussions!

You should have received the summer reading material last week. If you did not, please visit the Parent Portal. This is a great way to keep reading at the forefront of your summer activities!

See you at school!

Carol Christ, MEd  
Head of Lower School

## Middle School

### **From the Division Head**

Happy Sunday, Middle School Families. I hope this finds you all well today.

Our eighth graders broke a leg this past Friday and Saturday night! Thank you to the cast and crew of *Annie* for putting on a wonderful spring musical, and thanks to Julia Traber and Carlo Minotti for their leadership and direction. Thanks, as well, to Friends of Fine Arts for helping to facilitate this great spring pastime for our school.

The eighth grade leaves on Monday for Big Bend, so please keep them in your thoughts and prayers as they embark on their exciting journey.

Congratulations to our featured visual artists in the MS/LS Art Show on Main Street this week. Our students' work brightens the hallways and beautifies our school's environment.

Thanks to the sixth-grade team for their hard work in hosting the Greek Festival this week.

Please consider joining the Shutterfly account for your child's class. As parents, we often take great photos of sports events, school events, and special times at St. Francis. Photos from these sites are frequently used by the yearbook team, during Honor the Wolves, and by alumni and parents who want to keep a record of their time in the Wolf Den.

- If your child is currently in eighth grade, please join [here](#).
- If your child is currently in seventh grade, please join [here](#).
- If your child is currently in sixth grade, please join [here](#).
- If your child is currently in fifth grade, please join [here](#).

It's a beautiful day, and we are Wolves!

Sincerely,

Connor Cook, EdD  
Head of Middle School

## Upper School

### **Upper School Update!**

The Upper School Design Team is actively preparing for the arrival of our Founding Freshman. Two weeks ago, the entire team—including new Head of Upper School Cara Henderson—traveled together to take part in a four-day seminar on the Korda Method, an instructional methodology that combines design thinking, project-based learning, and entrepreneurship pedagogy to create engaging, real-world educational models.

This opportunity allowed us to analyze the projects we already have planned for the students and to envision new interdisciplinary projects for the upcoming school year. We are excited and ready to have our students with us in the fall!

### **TOP FIVE THINGS TO KNOW HEADED INTO THE SUMMER:**

1. Looking forward to seeing you today at 4:00 p.m. at Ooh La La Town & Country for the freshman ice cream social and Tuesday morning for the Upper School Parent Coffee, which will be held at 8:30 a.m. at La Madeleine.
2. [A sample schedule is available here.](#) Please note the students' later start time. Extracurricular practices and rehearsals will begin at 4:15

p.m. For students not involved in a sport or arts rehearsal, parent pickup must conclude by 6:00 p.m. daily.

3. We'd like to hear about student sports and club interests. [Students, please take this quick survey](#) to help us plan for the fall! What do you do now that you would like to continue, and what new things would you like to try?
4. Tommy Hilfiger School Uniforms is our new uniform vendor. Find their [uniform ordering guide here](#), and be on the lookout for a sizing event this summer!
5. Keep your eyes open for our end-of-year e-mail packet, which will highlight summer reading, the Spanish placement test, and all your other need-to-know information for heading back to school. Also, starting at the end of May through the summer, the New Parent Portal will feature an Upper School Family Section. This is where to look for guidance related to all things Upper School.

It was a joy spending time with you at the St. Francis 101 New Family Brunch. We are so happy to welcome you to the St. Francis community.

Please feel free to reach out to me at [AFlowers@StFrancisHouston.org](mailto:AFlowers@StFrancisHouston.org) or 713.459.6154, or to Cara Henderson at [CHenderson@StFrancisHouston.org](mailto:CHenderson@StFrancisHouston.org). Cara is graciously making herself available to our community early, but her official start date is June 25, and we can't wait to have her leadership heading into this historic fall school year.

Sincerely,

Angela Flowers

Head of Curriculum and Instruction/Interim Head of Upper School

### **Parents, Please Take a Brief Survey to Help Us Plan**

As part of our strategic planning process, we are surveying St. Francis parents. Your input is critical in shaping our path forward. Please take a moment to complete the survey, which is available by [clicking here](#).

### **Church**

**Honoring Mothers and Their Graduates: Sign-up Deadline Is Tomorrow**

On **Sunday, May 13**, we will honor our mothers and our graduates during Sunday services. **If you are graduating from eighth grade, high school, or college and would like to be recognized in the bulletin, please [e-mail Cindy Huteson](#) by tomorrow, May 7.** Women of the parish will receive a token of gratitude on this special day.

### **Day of Pentecost Baptisms Are May 20**

Sunday, May 20, is the Day of Pentecost, a Principal Feast Day celebrating the birth of the church—and an especially appropriate day to offer the Sacrament of Baptism. To schedule a Pentecost baptism, please contact [Amy Homer](#) at 713.458.6307.

### **RSVP Today for Our Pentecost Party!**

Since we celebrate the birth of the church on the Day of Pentecost, what better way to rejoice than with a party? Mark your calendars for food, fun, and festivities on **Sunday, May 20, from 4:00-7:00 p.m. in the Wheatcroft Parish Hall.** We'll feast on fried chicken (plus classic side dishes), play games, and enjoy birthday cupcakes.

Please RSVP as soon as possible by [clicking here](#).
