## News for the Week of August 26

### All School

#### **A Note From Our Uniform Provider**

Dear St. Francis Episcopal School Community,

All of us here at School Uniforms by Tommy Hilfiger would like to apologize to parents, students, and administrators for the frustrations you have experienced as a result of back-ordered products for your school uniform program. I wanted to take this opportunity to give you my personal assurance that our team is addressing the situation and that we are committed to taking care of each and every St. Francis family.

#### **HOW DID WE GET HERE?**

This back-to-school season has proven to be unique. As many of you are aware, Parker School Uniforms went out of business earlier this year, leaving nearly 2,000 schools without a uniform provider and, in many cases, with outstanding orders unfulfilled. The resulting impact of their closure has been substantial for the uniform providers who elected to assist and serve these schools. We had committed to our inventory for the season a few months before this occurred, and as we brought these new schools on board, we placed rush orders for additional inventory to ensure we would have what we needed for all of our schools. However, with multiple providers all placing rush inventory orders to accommodate the greater need, a bottleneck occurred along the chain of production that has resulted in industry-wide delays.

#### **WHAT ARE WE DOING TO OVERCOME THIS?**

We have escalated our communication all along the chain of production. We are doing all we can to expedite the production and delivery of these back-

ordered items. Product is now beginning to flow into our warehouse and will continue to come in over the upcoming weeks. We anticipate that by mid-October, we will be largely back on track and in stock on the majority of items we are out of today. However, between now and then, St. Francis families will be receiving delivery of items as our inventory fills in.

#### **FOR FAMILIES WITH QUESTIONS**

We have established a special e-mail address for St. Francis families that are having difficulties or need assistance with their orders. Please reach out with any questions or concerns to [STFR05@shop.globalschoolwear.com](mailto:STFR05@shop.globalschoolwear.com), and our team will work with you to find resolution. We have also shared with your school's administration that we will run a special "20% Off" promotion for all St. Francis families once our inventory is replenished.

Again, my entire team and I apologize for this inconvenience. This is a unique and unforeseen set of circumstances that we are working through as quickly as possible. Rest assured that we will provide each and every family with the items you ordered, and that we are doing all in our power to expedite this process.

Sincerely,

Adam Weil  
Senior Vice President, School Uniforms by Tommy Hilfiger

## **Primary School**

### **From the Division Head**

Dear Primary School Families,

There is ten years' difference in my children's ages. They are very close, but grew up almost like only children. When my daughter, Jill, left for college, my son, Ben, was barely 8 years old. The comings and goings of a teenager in the house (with friends, school, sporting events, and other activities) meant that we had a busy household that was always buzzing with energy.

Soon after my daughter left for college, my son reflected on the change in the level of activity. He said it was too quiet. But he also said he liked the sound of the dryer, the vacuum cleaner, our loud dishwasher, and lawn mowers and yard work happening outside. He liked it all. He called all this "the sounds of the house." It sounded like home.

In the Primary School, "the sounds of the house" are children saying good morning, laughing, singing "This Little Light of Mine," building with blocks and squealing when their collapsing towers crash to the floor, playing instruments, storytelling, asking questions, and so much more.

We have missed the sounds of the house. We have missed you!

We're back and ready for a new adventure. Every year is different, as it should be. Every child brings his or her own personal interests, experiences, and gifts. No two years look the same—nor should they. Even younger siblings who have the same teacher that their older brother or sister had will

have different experiences. They are different people. And it's the differences in each child that make our work so interesting.

Thank you for sharing your children with us. And thank you for working in partnership with us. We are so eager to share this year with you and your child.

Please know that I am available to you. Don't spend time worrying about something you may be challenged by as a parent. I am happy to be a resource for you in your parenting journey. It's the most important work you will ever do!

All the best,

Amy Whitley, MA  
Head of Primary School

### **Note About Approved Uniform Items**

Thank you for helping us during this year of uniform transitions. School Uniforms by Tommy Hilfiger has promised that the back-ordered pieces will be available soon.

Please note that uniform items must be from last year's list of approved Primary School items or from this year's approved Primary School selections:

- **For girls**, this includes last year's white St. Francis-monogrammed shirt and plaid skort or zip-front dress, and this year's navy drop-waist dress, plaid skort, khaki shorts or pants, and navy monogrammed shirt. Khaki skorts are part of the Lower School uniform and can be worn in kindergarten, but are not part of the Primary School uniform. If you received these items from Tommy Hilfiger in error, you can return them.
- **For boys**, this includes last year's white St. Francis-monogrammed shirt and navy shorts or pants, and this year's navy monogrammed shirt and khaki shorts or pants.

Please check with us if you have any questions about approved uniforms for Primary School.

## **Primary School Watercolor Project**

If you did not pick up a watercolor palette and paper strip for your child at Meet the Teacher, please let your child's teacher know and we will send one home in your child's blue bag. Directions for participating in the project are attached to the paints. We would like to have these returned to us following the Labor Day holiday, on **Tuesday, September 4**.

## Lower School

### **From the Division Head**

Dear Lower School Families,

My favorite quote from the first day: “**Kindergarten is awesome! I cannot wait to go tomorrow!**” I think everyone felt the very same way as this sweet kinder student did. Our first three days of school were seamless and full of positive energy. **Your children jumped right in and are already making new friends, learning routines, and embracing learning!**

Morning carpool has been running so well—thank you for getting your children to school on time (or, even better, before 7:40 a.m.). Giving your child those extra few minutes to unwind and get settled in the classroom is invaluable.

We have set a school record for afternoon carpool for the beginning of the year! All students were loaded and off by 3:45 p.m. on the first day, and it will continue to get better and better.

Following the appropriate afternoon arrival times helps us tremendously, too. **Afternoon carpool arrival time for those picking up students in kinder and first grade is 2:50 p.m. at the earliest; for students in grades 2–4, this time is 3:15 p.m. at the earliest.** This later arrival time for those picking up our older LS students enables us to get our smallest friends out before we start our 3:20 p.m. carpool. There is no longer a place to pull up and wait, so please drive around if you pull up before 3:20 p.m. If you are asked to drive around, know that the teachers are following procedure. Thank you for your cooperation!

Another challenge can occur in the People Place during dismissal. **If you are picking your child up from there, PLEASE wait until the teachers get the classes into the Dining Hall safely; then, come to the double doors closest to the carpool line to get your child.** Tell a teacher on duty your child’s name, and we will get them for you. Keeping the Dining Hall free of extra folks enables us to find and load children easier. Your help with this is greatly appreciated!

I wanted to share our Lower School goals with you so that you can be a part of our efforts to “**Challenge What’s Possible,**” which is our school theme for the year. Inspired by this theme, we are digging even deeper into our

curriculum and instruction knowledge, and continuing to make positive growth in these areas—which results in improved student achievement. Additionally, we are focusing on a book I read this summer, *Quiet: The Power of Introverts in a World That Can't Stop Talking* by Susan Cain. It addresses the research on the differences between introverted and extroverted temperaments, and has significant implications for educational settings.

**We have studied how learning styles, interests, and differentiated instruction impacts student learning, and now we are looking at how temperament affects our learning.** It is fascinating, and I hope you, too, invest some time reading the book and understanding how this important research can impact our children.

Our team is also continuing to find meaningful ways to communicate with the community and to showcase the amazing work we are doing in Lower School. I will continue to update you on our Lower School goals and on our faculty's areas of study.

**I hope to see everyone at either the New Parent Meeting or Returning Parent Meeting, both on Monday.**

Have a great week!

Carol Christ, MEd  
Head of Lower School

## **Middle School**

### **From the Division Head**

Happy Sunday, Middle School families! I hope this finds you well today.

I cannot express how exciting and restorative it is to have our students and families back on campus. You all have breathed life and energy back into our school, and we are so happy to be teaching, learning, and playing again.

**This week, we welcome our new families to campus on Wednesday, August 29, for our MS New Parent Meeting in the Library from 2:00-3:00 p.m.** At our first MS Chapel this past Wednesday, I asked everyone who is new to SFES and who has ever been new to a school to stand up, and every

single person—student, faculty, and staff—stood in unison. We are all new students each and every day, as we are students of life, learning new things about the world each morning our eyes open. Daily, we will live out this mindset in the spirit of inclusivity here at SFES. I look forward to seeing our new Wolf Pack parents on campus soon.

This past week at MS Class Meeting, I reviewed our daily life and routine with every MS student, and I encouraged our students to read through our *Middle School Handbook* with their parents. **Please read and review the handbook to answer any questions you might have about school life, and know that I will highlight the major points—as well as any new items—at MS Parent Information Night on Thursday, September 13.**

If you aren't up to speed on our all-school parent read, *The Self-Driven Child: The Science and Sense of Giving Your Kids More Control Over Their Lives*, please buy a copy and start reading. Dr. William Stixrud and Mr. Ned Johnson have written a research-informed, data-packed book about helping our kids gain more control over their lives, which prepares them for a path of success. This year, we will have parent coffees dedicated to topics in the book, and I look forward to those engaging sessions with our community.

I'm sorry to report that **we will not have school this coming Friday, August 31, and next Monday, September 3.** We are requiring our families to have a long, wonderful weekend of rest and recovery. Thank you, Mr. Lovejoy!

Below, you'll see the radar dates for the upcoming weeks ahead.

It's a beautiful day, and we are Wolves!

Sincerely,

Connor Cook, EdD  
Head of Middle School

## Upper School

### **From the Division Head**

Dear Founding Freshmen Families,

And we're off! What a wonderful week we've had, complete with student and parent orientations, music rehearsals, athletics practices, a volleyball game, three days of classes, advisory, chapel, club-brainstorming sessions, and more. I hope the experience has been as exciting and engaging for students as it has been for faculty.

Please remember that we are messaging the importance of patience as we navigate the transition into high school. Change, while invigorating, can also be stressful and scary. Let's practice giving ourselves a couple of weeks to settle into our new routines.

In addition to building relationships with classmates and teachers, I am encouraging our students to spend time reflecting on their sense of self and the values that matter most to them. Understanding and accepting ourselves is an important first step toward developing the capacity to listen to and appreciate the perspectives of others. Over the course of the year, students will have several opportunities to share parts of their unique stories both within and beyond our Upper School community. I look forward to hearing their voices and learning from their stories.

Please consider watching and discussing Chimamanda Ngozi Adichie's TED Talk, "[The Danger of a Single Story.](#)" I assure you that it is well worth your time.

It was great to see everyone at Tuesday's Parent Orientation. For your convenience, you can [find the presentation here.](#)

We have created a Founding Freshmen Parent Directory for those who wish to share their contact information. The directory is a Google document that can be accessed by all Upper School families. Please [click here](#) to enter your information.

Finally, please know that we are appreciative of your ongoing patience as we work to repair the air conditioning on the second floor of Crum Gym and to think through adjustments to our carpool routes.

Please check the “Mark Your Calendar” section below for a look at the next two weeks.

Sincerely,

Cara Henderson  
Head of Upper School

### **Cub Scout Rally Is Wednesday**

Calling all boys and girls! **Join us on Wednesday, August 29, from 5:00-6:00 p.m. in the St. Francis Scout Hut to learn more about scouting.** There will be fun activities for the kids along with the presentation.

Scouting events this year include camping trips (fall, winter, and spring); the Pinewood Derby; a rocketry event where each Scout builds and launches his or her own rockets; and other Den-specific trips and activities (e.g., EMS/firehouses, NASA, museums, etc.). Scouting is family oriented (parents, boys, and girls) with a purpose aimed at developing character, leadership, honesty, communication skills, and good citizenship.

Please contact [Carlos Carrasco](#) (Cubmaster; Pack 1703) or [David Kandolha](#) with any questions.

## **The Grief Group Starts in October**

**The Grief Group will meet for four consecutive Sundays in October from 3:00-5:00 p.m. in the Chapel.** It is time set aside for those who are grieving to reflect on their lives, their losses, and their strengths going forward. We will use the 23rd Psalm as our guide to remember that God is with us even during painful times.

The Grief Group is a safe place to talk, cry, and laugh about the gifts we have—even when we're facing death, crisis, and trauma in our lives—while beginning to move into our new, renewed lives. Dr. Robbie Sharp, a psychologist who attends St. Francis, will lead the group. Please e-mail [Jerry Ballard](mailto:JerryBallard@stfrancis.org) to sign up for The Grief Group.

## **Blessing of the Backpacks Is Today**

St. Francis Episcopal Church will be blessing backpacks at the 9:00 a.m. and 11:00 a.m. services today. All students are invited to participate in this St. Francis tradition by bringing their backpacks to one of these services to receive a blessing for the new school year. Students will also receive a special token to affix to their backpacks, reminding them that God is always with them.

*Apostles' Creed* by Alister McGrath. The group meets in the Wheatcroft Parish Hall at 8:00 a.m. on the second Tuesday of every month. Please e-mail [Amy Homer](#) for more information or to obtain a copy of this year's book.

### **Fall First Communion Classes Begin September 16**

### **'The Meaning of Marriage' Starts September 23**

Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that marriage does not mean “until death do us part,” but merely “for as long as my needs are being met”; and that when serious differences arise, divorce is the best solution.

**According to the Bible, though, these modern-day assumptions miss what marriage is all about.**

In this six-session, video-based Bible study, Timothy and Kathy Keller—who have been married for 40 years—draw **a profound portrait of marriage from the pages of Scripture** that neither idealizes nor rejects the institution, but points us back to the relationship between God and man. The result is a vision for marriage that is refreshingly frank and unsentimental, yet hopeful and beautiful.

**This study is for everyone, whether you are single, considering marriage, a newlywed, or part of a couple that's been married a long time!**

Sessions will be held in the Hogan Board Room on two Sundays per month from September through November. Topics will include:

- “Service: Marriage Isn't about You” (September 23)
- “Covenant: Created to Make Promises” (September 30)
- “Roles: Loving Through Mutual Submission (October 7)
- “Singleness: Strengthening the Spiritual Family” (October 28)
- “Sex: The Act of Covenant Renewal” (November 11)

- “Hope: Seeing the Great Horizon” (November 18)
