

# WOLF WATCH

— WEEKLY E-NEWS —

News for the Week of March 31

## All School

### **Congratulations to Our 2019 Woolrich Recipients!**

We're delighted to announce the recipients of our 2019 Sarah W. Woolrich Fund for Faculty Awards—and the learning adventures they'll be participating in this summer!

*From left: John Madden, Jessica MacMurtrie, Justin Doran, Carol Bedard, Adrian Pruett, and Debra Joyce*

### **MACHU PICCHU AND THE AMAZON RIVER**

**Carol Bedard, *English*; Jessica MacMurtrie, *Spanish***

Middle School faculty members Carol Bedard and Jessica MacMurtrie are headed to Peru for the adventure of a lifetime! After touring the Sacred Valley of the Incas and Machu Picchu, they'll spend time on the Amazon river, then visit the Pilpintuwasi Butterfly Farm, various wildlife rescue centers, and the Pacaya Samiria National Reserve—where they're sure to spot monkeys, sloths, and macaws! As cosponsors of the National Junior Honor Society and collaborative colleagues, Dr. Bedard and Mrs. MacMurtrie plan to use their Peruvian experiences to provide their students with an awareness of wildlife preservation and an appreciation for the complexities of other cultures.

### **OREGON SHAKESPEARE FESTIVAL**

**Justin Doran, *Fine Arts***

At the Oregon Shakespeare Festival, Fine Arts Chair Justin Doran will explore how the great outdoors acts as a stage for year-round performances. He plans to study the specific production elements needed for storytelling outdoors, and to use this knowledge to enrich future fine arts performances on both campuses.

### **ICELAND**

**Debra Joyce, *Language Arts***

Lower School Language Arts Teacher Debra Joyce will travel to Iceland both to experience the “impenetrable land” that inspired folktales and to explore how the culture and landscape of a country shape its folklore. Through visits to the Icelandic Elf School and guided walking tours, Ms. Joyce will dive into the local culture, storytelling, and psyche of the people. Upon returning to the classroom in the fall, she'll share her adventures with students, enriching their classroom studies of folktales.

### **GALÁPAGOS ISLANDS**

**John Madden, *Science and Engineering***

Thousands of miles away, a remote island with a population of 30,000 holds valuable lessons for the fourth largest city in America. Science and

Engineering Chair John Madden will set sail for the Galápagos Islands to seek what it truly means to be “sustainable.” With boots on the ground (or, in this case, in the water), Mr. Madden will explore what the islands' residents are doing to minimize their adverse effects on the area's environment and wildlife—as well as what the wider world can learn from these sustainable practices. Incorporating these ideas into his lessons will help our students challenge what’s possible for years to come.

### HONG KONG AND SHANGHAI

Adrian Pruett, *Mathematics*

Middle School geometry teacher Adrian Pruett believes that, with hard work and the right outlook, anyone can be a “math person.” This summer, she’ll travel to classrooms in Shanghai and Hong Kong to learn how educators in the Far East inspire this type of growth mindset in their students. She’ll also explore the rich architecture of the area, and plans to incorporate this architectural design into her classroom lessons to help her geometry students continue building spatial reasoning.

### ABOUT THE WOOLRICH FUND

For 15 years, the Sarah W. Woolrich Fund for Faculty has given St. Francis faculty members the opportunity to expand their horizons. In turn, they are better able to open our students’ eyes to the wonders that await beyond the classroom. Established in honor of our esteemed first principal, Sarah W. “Sally” Woolrich, the Woolrich Fund underwrites unique learning adventures that span the globe.

### **End-of-Year Farewell to Coaches Settle and McMillian**

We’re sad to announce that, as of today, we’ll be saying goodbye to two of our head coaches at the end of this school year:

- **Michael Settle** has accepted the head varsity baseball coaching position at Fort Worth Country Day School. In his nine years at St. Francis, Coach Settle has served our community faithfully and well in so many ways—as head coach of the baseball program, Middle School cross-country coach, director of physical education, PE teacher for all grade levels, assistant athletics director, Bible study leader, and more. Please join us in wishing Coach Settle well in his new position next year!

- **Cydryce McMillian**, who has led our volleyball program for the past two years and served as our first Upper School head coach, has accepted the head volleyball coaching position at St. Agnes Academy. We wish Coach McMillian all the best as she transitions to her new role!

We'll begin looking for our next volleyball and baseball head coaches immediately, and will let you know once we conclude our searches. Stay tuned for updates!

### **Virtue of the Month: Grace**

During the month of April, the St. Francis community will focus on the virtue of grace. Our virtue verse is Psalm 103:8: "The Lord is compassionate and gracious, slow to anger, abounding in love." God's grace is seen clearly in the life of Jesus. As we prepare for Easter, we remember that Jesus died on the cross to forgive our sins. We don't deserve it, but Jesus did it anyway. That's grace—an undeserved gift.

*Table Talk: Invite each member of the family to share a story about an undeserved gift they have received and what it meant to them.*

### **Important Information About Safeguarding God's Children**

If you volunteer at St. Francis Episcopal School and will be in your child's classroom or another teaching area more than six times, the Episcopal Diocese requires certification in Safeguarding God's Children, a child protective program. Also, if you go into a classroom without your child present (such as through Art à la Carte or on People for Others Day), you are required to be certified before your first visit.

- Our next class will be taught by Father Bob Wismer on **Friday, April 5, from 11:30 a.m. to 1:30 p.m. on the Main Campus**. This is our last scheduled class until fall.
- You must sign up for the class with Rose Ann Gregory [via e-mail](#) or by calling 713.458.6101 **no later than Wednesday, April 3**, to allow time to complete the initial paperwork.
- If you want to take the class in order to volunteer for the St. Francis Sports Association, the Scouts, or other St. Francis Episcopal Church activities such as Sunday School, please contact Cindy Huteson by calling 713.782.1270 or [via e-mail](#).

## **Bayou Bash Festival: Reserve Your Parking Spot!**

Where y'at? We hope you are getting ready for the Bayou Bash Festival on **Sunday, April 28!**

Have you turned in your sponsorship forms and T-shirt and ticket orders? All forms may be completed online [here](#). You may also send in a hard copy of the [forms](#) with a check. **Due date is April 5!**

**For the first time ever, you can reserve a parking spot for Festival.** (No circling the lot or riding the shuttle!) We will have 20 parking spots available on the Main Campus for \$250 each—just pull up and walk right in. These will go quickly, so act fast! **Purchase your parking spot online at the [Festival website here](#).**

We always want to be “Bayou”!

## **Annual Fund: Three Months Until Closing Time. . .**

. . . but less than two months until school's out for the summer!

*Fun Fact: We start raising money for the St. Francis Annual Fund on July 1 of every year and continue through June 30 of the following year. All independent schools follow this fiscal year timeline.*

Parent participation is important—even when a pizza party with Mr. Lovejoy is not at stake! Participation in annual giving sends a positive message to the broader community and serves as a powerful testament to our institution's strength. Organizations and foundations with grant opportunities look at participation figures as an indicator of a healthy institution worthy of additional support.

- Show your school pride for everything that makes St. Francis great with a gift to the Annual Fund today! [Click here](#) to give online.
- If you are unsure whether you have given this year, please [contact Laura Lanigan](#), director of annual and alumni giving.

## **PA Annual Spring Luncheon Is Wednesday**

The Parents Association invites you to attend its annual Spring Luncheon this **Wednesday, April 3**, at the Houston Country Club. The featured

speaker is Alysha Roll, MSW, LCSW, who will be speaking on “The Science of a Healthy Relationship.”

Ms. Roll is a Certified Gottman Couples Therapist as well as a master trainer and consultant for The Gottman Institute. Don't miss this opportunity to learn scientifically based ways to deepen your relationship with your significant other and to avoid relationship pitfalls.

- Tickets are \$75 each or \$750 per table. [Click here to purchase your tickets.](#)
- Find more information on The Gottman Institute online [here.](#)
- With questions, comments, or concerns, please [e-mail Paola Lehman](#), PA parent education chair.

### **Next Wolf Wear Sale Is Friday**

The Athletics Booster Club's next Wolf Wear sale will be held this **Friday, April 5**. Visit us in the Concessions Stand near the gym on the Main Campus from 7:45 to 9:00 a.m.

### **Join the SFE Spring BeKIND (Bingo) Challenge**

To foster our community's commitment to being “people for others,” our chaplains have created the BeKIND Challenge for the Lenten season. The game card has 25 acts of kindness that encourage students to be a source of light in their family and community. As a family, complete five acts of kindness in a row (vertically, horizontally, or diagonally) on the game card to win. Each child will win a special prize. Any family that completes the entire game card will receive a bonus prize!

Return completed game cards to Rev. Heinemann by **April 26**, the Friday after Easter. [Click here](#) to get the game card.

### **Save the Date! MS and US Theater Productions**

Save the date—the St. Francis Theater Department's spring productions are just around the corner!

- Our Upper School students will present William Shakespeare's *A Midsummer Night's Dream* on **Friday, April 26**, and **Saturday, April 27**, at 7:30 p.m. on the South Campus.

- Our Middle School students will perform *The Wizard of Oz* on Friday, May 3, and Saturday, May 4, at 7:00 p.m. on our Main Campus.

A box office link will be available through *Wolf Watch* in the coming weeks.

### **Please Share the Word! Upcoming US Admissions Tours**

Our best advertising is word-of-mouth, so please tell your friends and neighbors to come learn more about St. Francis at one of our Upper School Admissions Tours, which are held most Wednesdays at 9:00 a.m.

### **Register Today for Summer on the Point**

Have you checked out all the neat camps your child can take during Summer on the Point 2019?

- [Click here](#) for camp descriptions and to download the Summer on the Point brochure.
- Registration for students **3 years old through grade 10** is now open and available through "Program Registration" in My BackPack.
- **Summer sessions will run June 3-28 and July 8-August 2.**
- Yearly favorites are returning, and new camps are coming for summer 2019—including baseball, photography, fashion design, speed and agility sessions, field hockey, lacrosse, coding, LEGO design, self-defense, newly redesigned math sessions for Middle and Upper School grades, and many more.

## **Primary School**

### **From the Division Head**

Last week, we had the pleasure of hosting 38 local early childhood educators at our semiannual Educators Day. We receive many requests during the school year for tours of the Primary School, and invite those interested to join us on Educators Day for a presentation, a tour, and classroom observations. Our Reggio-inspired, project-based program honors play. In our Educators Day introduction, we talk about our philosophy and what participants will and will not see on their visits.

What they see and hear in the Primary School:

- Children engaged in meaningful play
- Documentation and displays
- Project work
- Passionate, professional teachers who are colearners
- Exploration, inquiry, and problem-solving
- Reflection, dialogue, and collaboration
- A natural, peaceful environment
- Curious and joyful children

What they don't see and hear in the Primary School:

- Every class doing the same thing
- Worksheets
- Teachers doing all the “teaching”
- Toys (our program focuses on materials)
- Primary-colored commercial displays and “decorated” rooms
- Teacher-planned “units” or “themes”

We are constantly evaluating our research-based practices, and we make decisions about how to best support our students in an environment that honors their thoughts and ideas. Our program does not look like what you see at every other school. We know what research says about providing valuable blocks of time each day for children to engage in meaningful play, and we make sure that our daily schedule makes this possible.

In the January 29, 2018, *New York Times* article, “The Check Up: Taking Playtime Seriously,” writer Perri Klass, MD, reports that, “Play is a universal, cross-cultural, and necessary attribute of childhood, essential for development and essential for learning. Experts who study it say that play is intrinsic to children’s natures, but still needs support and attention from the adults around them. Those who study its importance in children’s lives point out that it can also be threatened, either by too little attention and responsiveness from distracted adults or, in another sense, by too much attention and teaching, of the not-so-playful kind.”

I’m happy to report that the early childhood professionals who visited in the Primary School last week saw lots of the “playful kind” of learning. One visitor reported that “walking through these classrooms is like a textbook of what school is supposed to be.” I am honored to work with our faculty and staff, who are advocates for young children and share a commitment to excellence in our profession. There’s a lot to be proud of here!

All the best,

Amy Whitley, MA  
Head of Primary School

### **Primary School Faculty Transitions**

We would like to keep you up-to-date on faculty transitions. As of today, we will bid farewell to three long-standing faculty members at the end of the school year. **Cindy Blades**, **Genie Porter**, and **Betty Huff** will all be retiring to spend time with their families. We appreciate all they have done for the children and families in the Primary School, and we wish them the very best. They will be missed.

*Please Note: We'll be announcing new hires and any internal transitions in upcoming editions of Wolf Watch. Stay tuned!*

### **Looking Forward: Life in Lower School**

Please join us this **Thursday, April 4, from 8:20 to 9:20 a.m.** at our **South Campus** for an opportunity to learn all about life in Lower School. Representatives from all parent organizations will be present to explain how you can get involved! The kindergarten team and administration will also be present to answer any questions you have about getting plugged in to Lower School. We look forward to seeing everyone!

### **Join Ms. McConnell for Story Time This Thursday**

The next scheduled **Story Time With Ms. McConnell** will be this **Thursday, April 4, at 3:00 p.m.** We hope you'll join us for this time when parents and children participate together in storytelling with Ms. McConnell, our Primary School librarian. These scheduled story times have been very popular. You won't want to miss it!

## Lower School

### **From the Division Head**

I hope you all have been able to get out and enjoy this glorious spring weather! Don't blink—it will be 100 degrees before we know it!

This week, all of our Lower School students will get a sneak peek into their grade level for next year. It is so exciting for the kiddos to meet the teachers and spend some time in the classrooms, hearing all about their learning adventure for the next school year.

We also want to provide an opportunity for parents to have a preview of their child's experience for next year. Grade Level Preview Meetings have been scheduled back-to-back with all Declamations. See the calendar times below (in the "Mark Your Calendar" section) to find the correct time for your grade level. The teachers look forward to meeting you and to giving you some information about next year!

On the topic of next school year, thank you for trusting St. Francis's faculty and administration to place your child in the optimal learning environment. A great deal of work and thought goes into this complex process, and many people are involved in creating the classes. Not only do we want each child to be with some friends, but also we must ensure that they are placed in classes with academic peers. We also want a variety of temperaments and personalities in each class, and matching the child's personality with the teacher's is equally important. Your children's current teachers know them well and have great insight into the classmates with whom they will work best. It is very healthy for children to meet new friends and have the opportunity to expand their friendship circles. We truly want each child to thrive, so thank you for allowing us to use our knowledge and expertise in class placement.

So, back to this school year—we still have a great deal of learning to do! I hope you have a wonderful week!

Cheers!

Carol Christ, MEd  
Head of Lower School

### **Lower School Faculty Transitions**

We would like to keep you up to date on faculty transitions. As of today, we will bid farewell to the following faculty at the end of the school year: **Melissa Cook** has accepted a position at another Houston-area independent school; **Blanche Lockhardt** and her husband will be moving to Dallas for his job; and **Laura Persia** will be staying home with her new baby.

We appreciate all that these faculty members have done for the students and families in the Lower School, and we wish them the very best. They will be missed.

*Please Note: We'll be announcing new hires and any internal transitions in upcoming editions of Wolf Watch. Stay tuned!*

## **Middle School**

### **From the Division Head**

Hello, Middle School families! I hope this finds you well!

March ends today, and we turn the page to April. Time is flying! This week, we have everything from community service projects and field trips to deadlines for Honors intent letters and the dissemination of council election information. I'm thankful that our eighth-grade students get another chance at helping the good people at [Panther Creek Inspiration Ranch](#). Getting out into the Greater Houston community and making a difference is what being *people for others* is all about. Thanks to Elle Anderson, our parent volunteers, and our grade-level team leaders for planning such meaningful service opportunities for our students.

On Friday, our sixth-grade team, students, and parent volunteers take us back in time with the Greek Festival! This day is always a fun one, and there is no better way to learn history than by making it interactive and real. I look forward to seeing our kids compete in our very own Olympics—togas and all. Thanks to all of sixth grade for their hard work on this culminating history project.

In other news, [this article](#) discusses 10 research-based insights into how learning works. Many of these topics are in our faculty's daily conversations and practices, and this article sheds good light on current best practices in the classroom.

I wish you all a wonderful week! It's a beautiful day, and we are Wolves!

Sincerely,

Connor Cook, EdD  
Head of Middle School

## **Middle School Faculty Transitions**

We would like to keep you up-to-date on faculty transitions. As of today, we will bid farewell to the following faculty at the end of the school year: **Connor Cook** will be joining River Oaks Baptist School; **Kimberly Dunn** will be the new associate head of school at San Antonio Academy; **Molly Edington** will be teaching in lower school at another Houston independent school; and **Lisa McDermott** will be retiring to spend time with family. We will also be saying goodbye to **Carrie Hamstra** and **Jeanette Hendricks**.

We appreciate all that these faculty and staff members have done for the students and families in the Middle School, and we wish them the very best. They will be missed.

*Please Note: We'll be announcing new hires and any internal transitions in upcoming editions of Wolf Watch. Stay tuned!*

## **Sixth Graders to View Program on Setting Boundaries**

Sixth-grade students will soon participate in the *Your Boundaries, Your Call!* program. Boys will watch the program with Mr. Lakoski on **Monday, April 8**, and girls will watch the program with Dr. Curtis on **Tuesday, April 9**.

This program was designed for middle school students by Praesidium, creator of the Safeguarding God's Children program that adult volunteers and staff members must attend. The student program consists of a three-part DVD series paired with guided group discussions that teach students how to define their personal boundaries, respond if someone tries to violate these boundaries, and reach for help if someone is sexually abusing them or someone they know. Please contact Ted Lakoski (713.458.6157), director of school counseling, or Dr. Laurie Curtis (713.458.6118), head of student support services, with any questions.

## **Pathways Assembly for Parents: Technology Boundaries**

Join us to learn how parents can set healthy technology boundaries for their children (and themselves!) on **Wednesday, April 10, from 1:30 to 2:30 p.m. in the Hogan Board Room**. Led by Dr. Crystal Collier of Pathways, this is the fourth in a series of 2018-19 parent workshops focused on social and emotional health.

On Thursday, April 11, Dr. Collier will present to our Middle and Upper School students on the same topic in grade-level assemblies, which should provide the basis for some meaningful conversations at home.

## Upper School

### **From the Mathematics Chair**

When we said that our founding freshmen would be creating the culture and some of the programs that make up the life of the school, we meant it. The Upper School faculty actively look for ways to give students choice and voice, and one such opportunity presented itself in the form of our assembly times, when the whole division comes together for half an hour. Assemblies earlier in the year were often spent establishing clubs (developed, organized, and led by students), hearing from interesting outside speakers, or learning about summer travel possibilities. Some of the more recent assemblies, however, have been taken on by advisory groups, which has put student voices front and center.

Just prior to spring break, Coach McMillian's advisory group planned an assembly in which several students shared their individual stories and personal journeys, modeling how to lead an assembly in that format. One student told us about growing up with her personal hero, while another shared his experiences living in various countries around the world. We were also entertained by a student who turned a writing assignment into stand-up comedy, regaling us all with humorous observations. A couple of students had prepared games for the whole class. By turns personally touching and hysterically funny, we all got to know different aspects of these students in our Upper School family.

This past Monday, the Upper School assembly was organized by my advisory group. Because this group of students had previously brought up their concerns about the amount of waste we produce on South Campus and the lack of a recycling program, they decided on the topic of sustainability for this assembly. My advisees came up with discussion questions and topics, and they invited Curt Wissmiller, St. Francis's director of facilities, to join us. He launched the informative and productive discussion by sharing his background in sustainability and his work so far on both campuses in the year he has been here. Students and faculty jumped in with questions and ideas about how to work together to build a recycling program, with the potential for a composting program as well. Since sustainable programs could be incorporated into the building plan for South Campus, this was a timely discussion.

In the next couple of weeks, Mr. Zacaraev's advisory group will be planning something special, and we can't wait to see what they come up with. When we create opportunities to hear from our students and to support them in bringing their ideas to fruition, our school life becomes richer. Since advisory provides a great venue for listening to students, we advisors will be asking our groups about their visions for how they want to wrap up the end of their freshman year—this division's inaugural year. Students are what make a school: their stories, their ideas, their convictions, their work, and their creations. It's our job and our honor as faculty to support them in all of those as we build this Upper School together.

Sincerely,

Cara Matzen  
Mathematics Chair

### **Pathways Assembly for Parents: Technology Boundaries**

Join us to learn how parents can set healthy technology boundaries for their children (and themselves!) on **Wednesday, April 10, from 1:30 to 2:30 p.m. in the Hogan Board Room**. Led by Dr. Crystal Collier of Pathways, this is the fourth in a series of 2018-19 parent workshops focused on social and emotional health.

On Thursday, April 11, Dr. Collier will present to our Middle and Upper School students on the same topic in grade-level assemblies, which should provide the basis for some meaningful conversations at home.

### **Please Share the Word! Upcoming US Admissions Tours**

Our best advertising is word-of-mouth, so please tell your friends and neighbors to come learn more about St. Francis at one of our Upper School Admissions Tours, which are held most Wednesdays at 9:00 a.m.

## **Church**

### **Join Us for the *St. Matthew Passion* on April 10**

Join us on Wednesday, April 10, for a moving performance of the *St. Matthew Passion* by J.S. Bach. The 7:00 p.m. concert will be held in St. Francis Episcopal Church, and will be preceded by dinner at 6:00 p.m. in the Wheatcroft Parish Hall. (If you are planning to attend the dinner, please RSVP to Lynn Lloyd via [e-mail](#) or at 832.325.2987.)

*St. Matthew Passion* is one of the most beautiful works depicting the events of Maundy Thursday and Good Friday. The Assisi Choir, joined by a chamber orchestra, will present the “Crucifixion and Burial” portion of the Passion story. Dr. Jason Oby will sing the part of the evangelist; Leon Turner will sing the part of Jesus; Ben Hall, Jawan Jenkins, and Imani James will sing the parts of commentary set to Arias; and John Werner will sing additional musical portions.

### **Calling Young Dancers for the Resurrection Dance**

Calling all dancers! Children in pre-K, kindergarten, and first grade are invited to participate in the first annual Resurrection Dance on **Sunday, April 28**, during the **9:00 a.m. family worship service**.

- Dancers will perform a praise dance choreographed by Miranda Tadlock to the music of *Remember* by Lauren Daigle.
- Rehearsals are **Saturday, April 13**, AND **Saturday, April 27**, from **11:30 a.m. to 12:30 p.m.**
- Dancers will wear a leotard and tights with a tutu of their choosing.
- To participate, please [e-mail Allison Devlin](#).

### **Week of Wonder VBS Is July 29-August 2**

A weeklong faith experience for children ages 4 years old through rising fourth graders, Week of Wonder (WOW) is five fun-packed days of themed music, crafts, science projects, outdoor play, and Bible stories.

**Date:** July 29-August 2

**Time:** 9:00 a.m.-12:00 p.m.

**Theme:** Salt Water Gospel

**Ages:** Children from 4 years old to those entering fourth grade (must turn 4

by July 29, 2019)

**Registration Fee:** \$50 per child

### **REGISTRATION INFORMATION**

All children are welcome (you don't have to be a church member to attend), but we recommend registering early as space is limited to 15 children per age group. Once registration is full for an age group, you will be placed on a waiting list. [Register online here.](#)

### **VOLUNTEER OPPORTUNITY**

WOW is a rewarding volunteer opportunity for adults, high schoolers, and middle schoolers! We need lots of teachers, decorators, crafters, snack distributors, and behind-the-scenes helpers to make this a great week for the kids. Please consider joining the fun! [Register to volunteer here.](#)

### **Forgiveness Workshop Scheduled for April 13**

Father Bates will lead a forgiveness workshop on **Saturday, April 13, from 9:00 a.m. to noon.** This will be a time during Lent to consider whom you need to forgive, and to work through a process of learning to release others and yourself.

“Everyone says forgiveness is a lovely idea, until they have something to forgive.” –C.S. Lewis

Please RSVP to Amy Homer [via e-mail](#) or at 832.325.2983 if you plan to attend.

### **Join Us for New Member Orientation on May 5**

If you started attending St. Francis Episcopal Church within the last two years and have not made your membership official yet, we invite you to become a member of our family by attending our New Member Orientation class on **Sunday, May 5, from 12:30 to 2:30 p.m. in the Guild Room of the Wheatcroft Parish Hall.** (Lunch will be served.) Join Father Bates to learn about our church, our mission, and how membership in Christ's Body at St. Francis can help you deepen your relationship with God.

Please RSVP to Amy Homer [via e-mail](#) or at 832.325.2983.

## Sunday Programs at St. Francis Episcopal Church

- **Breakfast Bites and Fellowship:** Meet in the Wheatcroft Parish Hall for coffee, donuts, and light bites after the 9:00 a.m. and 11:00 a.m. services.
- **Lighthouse Expressions in Art:** Children in pre-K through middle school meet in the Guild Room to create an art project reinforcing the Bible lesson and key verse discussed during Let it Shine!
- **Adult Bible Study:** Meet in the People Place to develop a closer relationship with God through reading and reflecting on Scripture.
- **Adult Series:** Father Bates is leading the series *24 Hours That Changed the World*. Meet in the Hogan Board Room.
- **God Lights Our Way (GLOW):** Middle and high school students meet upstairs in CE 212 for lessons and activities.

## Sunday Worship Services

St. Francis Episcopal Church holds four services on Sundays, as follows:

### **8:00 A.M.—HOLY EUCHARIST, RITE I**

This is a contemplative service that includes a traditional sermon, communion, and time for prayer and reflection. Held in the St. Clare Chapel (accessed through the main church entrance), this service is ideal for those who like to get an early start to their Sunday.

### **9:00 A.M.—FAMILY WORSHIP WITH HOLY EUCHARIST, RITE II**

This is a family-friendly service with a blend of updated music, a children's message, Rite II liturgy, and full communion.

- Held in the sanctuary, you'll see youth ages 3 and older participating in parts of the service. Everyone is welcome, from newborns to centenarians. You don't need to have children to enjoy this service!
- After the children's message, students in pre-K through middle school are invited to Let It Shine! with Allison Devlin in the Robert Gay Foyer for a group lesson and project. High school youth are invited to join and help the younger students during this time. All children will return to the service during the announcements.
- After the service, please join us for breakfast bites and fellowship in the Wheatcroft Parish Hall, followed by [Sunday School](#) activities for all ages.

**11:00 A.M.—HOLY EUCHARIST, RITE II, WITH ORGAN AND CHOIR**

Appropriate for adults and families, this is a beautiful service with traditional liturgy and hymns, communion, sermon, full choir, and professional musical accompaniment. After the service, please join us for breakfast bites and fellowship in the Wheatcroft Parish Hall.

**5:00 P.M.—HOLY EUCHARIST, RITE I**

This reflective service in the St. Clare Chapel includes an adult message and communion and is appropriate for adults and teenage children. Casual dress is welcome.

**CHILDCARE**

Please note that childcare and playtime in the church nursery are available on Sundays from 8:45 a.m. to 12:15 p.m. to allow parents time for church and adult Sunday School.
