## **Primary School**

### **From the Pre-Primary Lead Teachers**

As parents, we love spending time with our children, but sometimes the idea of sitting down to work on academic skills can be daunting. Luckily, we can help our kids learn with simple, everyday activities!

Take, for instance, a trip to the grocery store, which can be filled with all sorts of teaching moments. For young learners, we know that it is imperative that they hear as much language as possible. Research tells us that the more words they hear, the more robust their verbal and listening skills will be. Imagine a walk through the produce section naming items you see. "Look, a lemon!" Then describe it. "The lemon is yellow

and round. It feels bumpy! I see lots of lemons all together.” Moving on, you can compare it. “Here are limes. They are the same shape as lemons, but they are green instead of yellow.”

As children grow, you can turn this into more of a conversation by asking questions. “What do you notice? What colors can you spot? How does it feel?” This encourages them to learn about important details and make sense of their world. To extend even further, you can incorporate phonics into the game, by introducing rhymes and letter sounds.

Beyond just literacy skills, math games like counting, comparing, estimating, and adding/subtracting can be worked into an H-E-B trip seamlessly. And, of course, you can tell a story anywhere about anything. Daily routines with your child are a great opportunity to incorporate learning in a fun and worthwhile manner!

Sincerely,

The Pre-Primary Lead Teachers  
Jane Oteiza, Susan Meriwether, Madison Breceovich, and Maggy Britton

### **Cozy Up: Pajamarama Is January 24**

On Friday, January 24, St. Francis will celebrate our annual Barker’s Pajamarama Day Ingathering. On this day, students in Primary and Upper School are invited to wear their pajamas to school to celebrate the weeklong ingathering of pajamas, books, and other items. Named after Dianne Barker, head of Primary School from 1992–2008, Pajamarama continues the tradition she introduced of wearing pajamas to school one day a year in conjunction with collecting books for donation.

All donations will benefit Arms Wide Adoption Services, an organization that supports foster children awaiting permanent homes. As in the past, the focus of the ingathering for Primary School is pajamas and books. However, Arms Wide has asked for a variety of other items that will allow them to serve the children in their care more comprehensively. The Upper School will be tasked with donating these new items.

As usual, Pajamarama Day promises to be a lot of fun, and your support in helping our children become people for others is truly appreciated. A few guidelines to remember:

- **What should you donate?**
  - Primary School: One pair of new pajamas and one new book in the zipper-lock bag sent home with your child
  - Upper School: Travel-size or regular personal items, including brushes and combs, deodorant, shampoo and conditioner, shower gel, toothbrushes and toothpaste, socks, underwear, baby wipes, pull-ups, and diapers
- **Where should you donate?**

- Primary School: Boxes in the pods
- Upper School: Boxes in Andrews House
- **When can you bring your donation?**
  - Tuesday, January 21–Friday, January 24

All Primary and Upper School students may wear appropriate pajamas to school on Pajamarama Day, Friday, January 24. If students choose not to wear pajamas, they may wear their regular SFES spirit wear.

### **From the Division Head**

I hope you have had a smooth beginning to the second semester of school. I know re-entry can be challenging! While having the alarm going off early in the morning is not my favorite sound, hearing the hallways filled with laughter and seeing your children eagerly jump out of the car are worth every early alarm.

I enjoyed my time away in the mountains, reading, relaxing, and cooking A LOT of food for many large boys who came to ski with my sons. (I did squeeze in several afternoon naps.) Having time with my family is such a blessing to me, as I know it is for you.

Another blessing to us all is our amazingly dedicated faculty. They met this past Monday as teaching teams and with our specialists to prepare for the students' return. Having this day to regroup, look ahead, and prepare proves to be extremely beneficial for the faculty and our students. In addition, our fabulous PE teachers hosted a "mock class" for the LS faculty, so we all have information on what happens in a variety of classroom settings.

We are looking forward to seeing you in our hallways this coming Wednesday for teacher/parent conferences. If your child is in grades 2–4, he or she will attend the first few minutes of the conference to share areas of strength, areas of challenge, and new goals. If your child is in K–1, he or she has prepared goals for you that the teachers will share. Our students feel so empowered to be a part of their own learning journey. If you'd like to read a bit about the roles of students, parents, and teachers in these conferences, [click here](#).

Thank you for your consistent support and partnership! Have a great week.

Fondly,

Carol Christ, MEd  
Head of Lower School

### **From the Division Head**

Happy Sunday! I hope you and your kids are enjoying a few days of rest after our first week back. This is the time of year when many people set intentions for the year ahead. Whether or not it's a standard practice for your family, this is an opportunity for you and your student to create goals and intentions for the spring. The process of creating goals and checking in on progress offers students more ownership of their learning and progress in school. **I invite you to sit down with your child(ren) in advance of your advisor conference on Wednesday and learn about their aspirations for the second half of the year.** I also hope you will encourage them to share their goals with their advisor on Wednesday.

At the risk of sounding like a broken record, I also want to offer a final reminder about **tomorrow's MS Parent Meeting**, where we will be presenting and discussing important information regarding the 2020–21 school year. The meeting takes place in the **Hogan Board Room** and will run from **7:45 to 9:00 a.m.**

See you soon!

Chris Bertha, MEd  
Head of Middle School

### **Service Hours Opportunity: Help Organize the Lost and Found Closet!**

### From the Division Head

Happy New Year! Welcome to the Roaring (20)20s and welcome back to the school routine! I hope that the first week of the new calendar year has been a positive one for you and your families.

As you may remember from my last *Wolf Watch* message, today's message includes my reading notes ([linked here](#)) from Part 1 of Jessica Lahey's *The Gift of Failure: How the Best Parents Learn to Let Go So Their Children Can Succeed*. **Please consider joining me this Friday, January 17, in Andrews House to discuss Part 1 over coffee and breakfast treats.** This is an opportunity to learn from one another as we share portions of the reading that resonated for each of us. We'll reflect together on how we can best support one another in the often challenging work of parenting teenagers.

In closing, here are a few of my takeaways from just the first two pages of the introduction:

We have taught our kids to fear failure, and in doing so, we have blocked the surest and clearest path to their success ... . The setbacks, mistakes, miscalculations, and failures we have shoved out of our children's way are the very experiences that teach them how to be resourceful, persistent, innovative, and resilient citizens of this world ... . We parents are going to have to step back, leave those scary obstacles lying in the road, and allow our children to face them head-on. Given our support, love, and a lot of restraint, our kids can learn how to engineer their own solutions and pave their way toward success that is truly of their own making.

Looking ahead, **we'll be reading and discussing Part 2 on Friday, January 31, and Part 3 on Friday, February 21.** Join me!

Here's to a wonderful week!

Sincerely,

Cara Henderson, EdD  
Head of Upper School
