— WEEKLY E-NEWS —

News for the Week of January 17

All School

From the Head of School

What a whirlwind January has been so far! Last week, our students had a great time celebrating Wolfie's birthday, eating lunch in our second Dining Hall location in the FAC, and taking part in various athletics events. And, while the format was different from previous years, our teachers are thankful for the time they had with you during the parent-teacher conferences.

We are looking forward to more time with you at the **St. Francis Connections virtual town hall on Tuesday, January 26, at 7:00 p.m.** Please join me and Board Chair Kate Denham to hear about our ongoing response to COVID-19, tuition for the 2021–22 school year, progress on our strategic plan, and more. We want you to be part of the conversation, so **please submit your specific questions by noon on Wednesday, January 20, [via e-mail](#).**

St. Francis Fund Update

We are so grateful to each and every family who made a gift to the St. Francis Fund during the first half of the school year! **The St. Francis Fund supports critical areas of the school's operating budget, including our hardworking faculty, the**

increased need for tuition assistance, and the large expense of our newly adapted health-and-safety equipment and protocols that have kept our students safely learning on campus. To date, 45 percent of families have made a gift. Be on the lookout for some fun, competitive participation contests later in the spring. The last day to [give to the 2020–21 St. Francis Fund](#) is June 30.

Primary School

From the Division Head

As we prepare to celebrate Martin Luther King Jr. Day on Monday, I want to inform you of two service-learning projects taking place in the Primary School. Last week, your child's teacher sent home a zipper-lock bag with a letter about the coin collection we will be doing as a division to help children in need. As mentioned in the letter, our Primary School has partnered with the [Eye Care for Kids Foundation](#), a nonprofit organization that helps provide eye exams and eyeglasses to more than 350,000 children who would otherwise be unable to obtain eye care. **Primary School students have been encouraged by their teachers to find opportunities at home to earn coins to donate to the Eye Care for Kids Foundation.**

The second service-learning project we will be participating in is Pajamarama. Our annual pajama ingathering is named after Dianne Barker, head of Primary School from 1992–2008, who started the tradition of wearing pajamas to school one day a year in conjunction with collecting books for donation. We are honored to continue this beloved tradition of being people for others while also partnering with Upper School students to help those in need at [Arms Wide Adoption Services](#). **Primary School children are encouraged to donate a book of their choice and new pajamas**, and Upper School children are collecting personal-care items and toiletries to donate. Through community service projects like our annual Barker's Pajamarama Day, students experience the joy of helping others while also having fun.

I encourage you to talk with your child about being a person for others to help them understand and make connections to the actual work we are doing to help others through both of these service-learning projects. Through these projects, our students experience the power of teamwork and the intrinsic rewards gained from helping others. As it is written in Hebrews 13:16, "But do not forget to do good and to share, for with such sacrifices God is well pleased."

Kind Regards,

Clifton Walker, MEd
Head of Primary School

Carpool Reminders: Help Us Keep Our Students Safe

By way of reminder, following our carpool guidelines is an important way you can help us keep our students safe:

- Keep your speed below 10 miles per hour.
- Follow the signs and signals of those directing traffic.
- Refrain from using your cell phone during this time. Use hands-free features if you must talk.
- Keep children buckled and seated while driving on campus.

Cozy Up: Pajamarama Is January 22

On Friday, January 22, St. Francis will celebrate its annual Barker's Pajamarama Day Ingathering. On this day, **children in Primary School and Upper School are invited to wear their pajamas to school to celebrate the weeklong ingathering of pajamas, books, and other items.** Named after Dianne Barker, head of Primary School from 1992–2008, Pajamarama continues the tradition she introduced of wearing pajamas to school one day a year in conjunction with collecting books for donation.

All donations will benefit [Arms Wide Adoption Services](#), an organization that supports foster children awaiting permanent homes. A few guidelines to remember:

- *What should you donate?*
 - **Primary School**—Place one pair of new pajamas and one new book in the zipper-lock bag sent home with your child.
 - **Upper School**—Choose from the following personal items, in travel size or regular size: brushes and combs, deodorant, shampoo and conditioner, shower gel, toothbrushes and toothpaste, socks, underwear, baby wipes, pull-ups, and diapers.
- *Where should you donate?*
 - **Primary School**—Boxes in the pods
 - **Upper School**—Boxes in Crum Gym Lobby
- *When can you bring your donation?*
 - **Tuesday, January 19–Friday, January 22**

Pajamarama Day promises to be a lot of fun, and your support in helping our children become *people for others* is truly appreciated. Remember, all Primary and Upper School students may wear appropriate pajamas to school on Pajamarama Day—Friday, January 22.

From Our Curriculum and Instruction Specialist

I hope that this weekend finds you enjoying some extra time to relax and, perhaps, . . .
READ!

This week's *Wolf Watch* message focuses on ways that you can support your reader at home. Our team of specialists has continued to explore the multitude of family resources recently published by Teachers College, Columbia University, and have found several videos that address some of the most-asked questions from you, our parents and caregivers.

Each video is short—about 5–7 minutes—so I hope that you take some time to watch the ones that most apply to your child and family. In the weeks to come, we will be sharing tips for supporting your child's phonemic awareness, sight-word vocabulary, and writing skills. Stay tuned!

READING RESOURCES FOR GRADES K–2

- [How can I keep my child focused on his/her reading at home and build volume and stamina?](#)
- [How can I support my child's comprehension while reading, especially when they are rereading books during the week?](#)
- [How can reading aloud to my child boost my child's vocabulary?](#)

READING RESOURCES FOR GRADES 3–4

- [How can I support what is happening in Reading Workshop at home? And what is Reading Workshop, anyway?](#)
- [What are some ways to talk about reading to boost comprehension?](#)
- [How can I support my child's vocabulary development?](#)
- *You may also want to watch the video in the K–2 section above about reading aloud to your child!*

I hope this information is helpful and dovetails with some information you may have learned in your parent/teacher conferences. Have a great week, and feel free to reach out to us if you have any questions or would like to chat.

Fondly,

Ali Salinas, EdS
Curriculum and Instruction Specialist

Middle School

From the Division Head

St. Francis is proud to have kept the remote option open to families through this school year, and many families have taken advantage of the flexibility the remote option offers. Remote learning was made available to assist students and families with health challenges due to COVID-19. In recent weeks, we have seen an increase in requests for the remote option for reasons that are not COVID related. We have also received requests for remote learning for short periods of one or two days. We have done our

best to meet these requests, but the high volume of short-term requests for remote instruction has strained our resources. This has forced us to re-examine our processes and create updated expectations for the remote option for the remainder of the year (see below).

ACTIVE CASES OR COVID-RELATED SCENARIO

These scenarios that require quarantine will automatically shift a student to remote-learner status, and the timeline for a student's return to campus will be shared by our nursing staff.

COVID-RELATED CONCERNS

The remote option is available to any family with a COVID-related concern. If a family chooses to go remote, they must [e-mail Leigh Williams](#) with their anticipated dates for remote learning.

NON-COVID-RELATED REQUESTS

These requests for the remote option must be approved and the dates confirmed by the head of Middle School.

72 hours of advance notice (sent to [Leigh Williams](#)) is required for remote learners who wish to return to campus in advance of the approved date (or who are remote for an unspecified period).

OTHER ILLNESSES OR ABSENCES

In situations where a child does not feel well and cannot come to campus for a limited period of time, parents should notify [Leigh Williams](#) of their intention to follow one of the two options below:

- Elect to access the remote option for a minimum of three days. During this time period, students will be counted "present" in our attendance records and will be expected to Zoom in to all class sessions and to meet all assignment deadlines.
- Choose to allow the student to rest and recover. These students will not be expected to Zoom into classes and will be marked "absent." Missed assignments can be made up according to the policy in the *Middle School Handbook*.

Our intention with the guidelines above is to ensure a consistent experience for our students and faculty, and to streamline communication about the logistics of transitioning onto and off of campus. While these guidelines do not allow for situations where a student can "go remote" for one or two days, they do leave the choice about remote learning in the hands of families.

If you have questions about the remote option or these guidelines, please reach out to a member of the Middle School admin team, and we will be happy to help.

Best regards,

Chris Bertha, MA
Head of Middle School

Dress Code Reminders

A couple of quick reminders regarding current Middle School dress code:

- All Middle School students are required to wear a St. Francis shirt.
- Girls wearing yoga pants/leggings must wear long shirts to cover their rear end.

Upper School

From the Interim Head of Upper School

This coming Friday, January 22, marks the annual ingathering celebration for Pajamarama. Beyond the fun of wearing pajamas to school, the Primary and Upper School divisions' participation in the donation of pajamas and personal-care items makes a difference for hundreds of children each year. Arms Wide Adoption Services uses our donations to welcome children into safe foster-care homes.

Social service agencies have been especially challenged in the last year. While we don't have the opportunity to have personal contact with children or families involved with Arms Wide, our students do have a tangible way to have an impact on their lives. We know they are grateful for our continued support.

Upper School students are asked to help support Pajamarama by donating a personal-care item. Suggested items include the following:

- Children's-sized socks and underwear
- Baby wipes, pull-ups, and diapers
- Travel-sized or regular-sized deodorant, shampoo, conditioner, and shower gel
- Toothbrushes and toothpaste
- Brushes and combs.

Donations may be left in boxes in the Crum Gym Lobby through Friday, January 22. In appreciation, **students may wear pajama pants and other appropriate leisure wear on Pajamarama Day.**

Thank you for helping support Arms Wide Adoption Services and our Upper School students as we seek to grow in our mission as people for others.

Take good care,

Amy Whitley, MA
Assistant Head of School/Interim Head of Upper School

Middle School Bible Study: A Note From Allison Devlin

I want to invite your children to experience the struggles and triumphs of Christian as he travels along the narrow path to the Celestial City, and discover how the characters and places in John Bunyan's *Pilgrim's Progress* apply to your child's own spiritual journey.

- **Who:** Middle School students
- **What:** Bible study and fellowship
- **When:** Every Sunday, after the 9:00 a.m. Family Worship Service, starting January 24
- **Where:** CE212 (GLOW room, upstairs above the church office; we will stay socially distant with masks on)
- **Why:** Often disguised as something that would help him, evil accompanies Christian on his journey to the Celestial City. As you walk with him, you'll begin to identify today's many religious pitfalls. These are presented by men such as Pliable, who turns back at the Slough of Despond, and Ignorance, who believes he's a true follower of Christ when he's really only trusting in himself. Each character represented in this allegory is intentionally and profoundly accurate in its depiction of what we see all around us, and unfortunately, what we too often see in ourselves. But while Christian is injured and nearly killed, he eventually prevails. So can you!

This study is awesome, and I hope you decide that your child will participate. Please [let me know](#) so I can order them a book. If your child would prefer to attend virtually, there will be a Zoom option available.

A Note for High Schools Students and Parents From Allison Devlin

We are starting a new activity for our high school-aged teens at St. Francis Episcopal Church!

- **Who:** High school teens
- **What:** Dinner and Bible study
- **When:** Every other Wednesday night at 6:30 p.m., starting January 27
- **Where:** Houston Racquet Club
- **Why:** Come experience the struggles and triumphs of Christian as he travels along the narrow path to the Celestial City, and discover how the characters and places in John Bunyan's *Pilgrim's Progress* apply to your own spiritual journey.
