Piney Point Campus Carpool

Thank you for your support as we adjust to a new carpool schedule this year. As expected, there were some hiccups the first couple of days, but by the end of the week we were already seeing significant improvements! You can help us keep carpool as safe and efficient as possible by following the guidelines below.

- Please do not arrive before your child's scheduled carpool dismissal. With no place to pull up and wait, this holds up the line and causes traffic to back up on Piney Point Road. If you arrive early, you will be asked to leave and return at the appropriate time.
- We need your help in being considerate neighbors. When you enter the carpool line, please keep a close but safe distance between you and the car in front of you. Our goal is to maximize the space available and move cars off of Piney Point Road as quickly as possible.
- Pickup for athletics begins at 4:25 p.m. If you arrive early, you will have to park in a non-reserved space in the front lot and wait to pick up your child at the conclusion of Middle School carpool (4:25 p.m.).
- If your children walk or bike to school, you must sign a Walker/Biker Permission Form and submit it to the appropriate division office. The form can be found on the Parent Portal under Division Resources.
- We appreciate your cooperation as we continue to evaluate the carpool process. Should there be any changes to the schedule or routes, we will communicate those to you via email.

Primary School

From the Division Head

Welcome back! The first three days of school were wonderful and exciting. The Primary School came alive with the joyful sounds of children, teachers, and families moving throughout our early childhood community. In the short time we have been back in school, it has been a pleasure to watch our children navigate—some with confidence and others with reservation, depending on whether they are connecting with old friends or starting their first school experience.

These are the much-anticipated days for which we have all awaited. As the year unfolds, it will be amazing to witness the rapid growth and development that occurs in the early years of a child's life. Our Primary I students are hopping out of their cars, grabbing the hand of an adult, and skipping to class, while our Primary II students are entering their cottages with a teacher and independently walking to their classrooms. These eager and courageous learners were once Pre-Primary students tightly gripping their parents' hands and possibly crying in response to the separation.

It is remarkable how much children change in a year. Whatever the grade level, learning is always happening, and our children are consistently flourishing as they make the most of opportunities to develop their potential.

I look forward to partnering with you on your child's journey at St. Francis. If I can ever be of assistance, please do not hesitate to contact me. Let's go, Wolves!

Warm regards,

Kenyetta K. Wynn, EdD
Head of Primary School

Lower School

From the Division Head

We are off to a great start to the 2022–23 school year here in the Lower School! The energy and the excitement about the new school year are palpable now that we are all back inside the building.

At our first Lower School Chapel last Thursday, I encouraged students to do three things this year:

1. Be kind.
2. Challenge yourself to learn new things in all of your classes each day.
3. Read. Enjoy good books, both fiction and nonfiction—whether picture books, comic books, or chapter books.

I have no doubts that our Lower School students will fulfill each of these three recommendations this school year.

Thank you for your partnership in the education of your Lower School child. I hope you have a great first full week of school, and I look forward to seeing you at Parent Information Night on Wednesday, August 31!

Kind regards,

Clifton Walker, MEd
Head of Lower School

Middle School

From the Division Head

In my first week as the Head of Middle School, I saw teachers turning on the lights in their classrooms before the sun peeked over the eastern horizon. I saw Middle Schoolers walking their Lower School siblings to class and assuring them that they'd see them at afternoon carpool. I saw parents encouraging teachers as they helped with carpool in the afternoon heat. I saw eighth-grade WEB Leaders waving welcome posters and cheering for our Middle Schoolers as they entered their orientation on Tuesday.

Prior to joining the St. Francis Community, I heard that you were People for Others. I saw that slogan lived out this week.

Thank you for welcoming me and all of the new students, parents, faculty, and staff into the Wolf Pack, and for modeling the St. Francis Way for us newcomers.

Warmly,

Byron Williams, EdD
Head of Middle School

Upper School

From the Division Head

As I write this on Thursday morning, we have had a solid start to the year. Students are completing a full A/B rotation going into the weekend. While we are still processing schedule changes and our students are navigating their new schedules, life has returned to the St. Francis Upper School. Key to this success has been the hard work of our Student Council in developing a program for our school to return to campus.

This year's orientation was a little different than it has been in prior years. In the past, we focused solely on new students and freshmen. This year, we spent the morning with our new Wolves and then brought back the entire Upper School for the afternoon. This inclusion not only allowed us to have full advisories for all grades, but also enabled our new students to meet returning students without the stress of first-day classes. We had fun reconnecting in advisory and had our first seasonal pep rally. Expanding on the success of our annual Homecoming pep rally, we will now celebrate sports, fine arts, and general programming three times a year: fall, winter, and spring.

Pictured below is our Upper School's **first cheer routine**. We now have chants and cheers to accompany our football, volleyball, and cross-country competitions. Go Wolves!

Please mark your calendars for our Meet the Teachers Night on Wednesday, August 31. This will be an evening for you to meet your student's advisor and teachers, as well as our administration and coaching staff. We look forward to seeing you on campus!

Warmly,

Marc Addington, MA
Head of Upper School

Upper School Athletics Update

Our fall sports seasons are underway, and we are excited for athletics in 2022–23!

VOLLEYBALL

Congratulations to our JV and Varsity Girls Volleyball teams, which have played their first matches of the year already. The Varsity Wolves have played in two tournaments and have competed in the first-ever TAPPS district competition with a match vs. Rosehill Christian. The JV Wolves have played one district match and one tournament.

CROSS-COUNTRY

The Cross-Country team will open their season this coming Saturday. Good luck to our runners!

FOOTBALL

The Varsity Football team will open the season this Thursday in the first-ever high school football game in school history! **The Wolves will take on Emery/Weiner School on Thursday, August 25, at 6:00 p.m. on Couper Turf Field.** (Please note that kickoff has been moved up one hour from the original 7:00 p.m. start time).

The Wolves will be competing in six-man football this season.

- Six-man football is a version of tackle football played with helmets and pads, but with fewer players on the field.
- There are some differences in the rules. For example, the game is played on an 80 yard by 40 yard field; you must earn 15 yards for a first down; field goals are worth 4 points; etc. Six-man football is a fast-paced, high-scoring, exciting brand of football.

We are excited for high school football on Couper Campus, and we hope to see you at a game this fall.

Outreach Ministries

KAIROS PRISON MINISTRY: YOU CAN MAKE A DIFFERENCE!

Over the coming weeks, we ask you to pray for the prison ministry efforts in the **Walls Unit in Huntsville, TX, on September 15–18**, and in the **Terrell Unit in Rosharon, TX, on November 3–6**. These units will each be experiencing separate Kairos weekends.

- During a Kairos weekend, volunteers enter the units for three days, delivering a defined program of talks, fellowship, prayer, and praise, all the while sharing the love and forgiveness of Jesus Christ. Individual meal tickets are placed before them at each meal; a loving placemat (colored by a child, including by kids from our youth group) is placed before them; and, in a touching ceremony, a long-long-long prayer chain is brought into the room where each link of the chain has the first name of an individual who is praying for them that weekend.
- **You can play a part in showing the participants that there are hundreds of people praying for and supporting them. Please sign a prayer chain link or purchase a \$10 meal ticket in the Narthex or during coffee hour.**
- Once the men go through a Kairos weekend, they can then participate in the unit's weekly Kairos Prayer & Share Program, which is a fellowship of incarcerated individuals within the unit.
- If you would like more information, please contact [John Kenner](#).

WOODVIEW ELEMENTARY READING BUDDIES PROGRAM RETURNS

The Reading Buddies program is returning to Woodview Elementary for the 2022–23 school year.

- The program is expected to start in September and will include a brief one-hour training session for all volunteers. St. Francis volunteers will be partnered with second-grade students who are on the "brink of success," where SBISD has found that reading intervention can significantly improve outcomes in later years.
- Volunteers will be expected to read with their assigned student for 30 minutes each week; last year's time slots were generally either first thing in the morning at 8:00 a.m. or midday at 12:45 p.m.
- For more details or to volunteer, please contact Tim Blaine via [email](#) or at 832.247.8667.

MAM's 2022 Back-to-School Campaign

The Memorial Assistance Ministries (MAM) Back-to-School Campaign began July 17 and continues through September 2022.

- Every year, MAM assists over 6,000 at-risk SBISD elementary school children. The funds raised from the community assist these students in preparing for their first day of school.
- The funds raised by St. Francis parishioners are specifically designated for the uniform requests of students who attend Woodview Elementary, our adopted school.
- A **\$50 donation provides new school clothes for a child**. Donations should be made payable to St. Francis Episcopal Church with "MAM Back-to-School" on the memo line and should be placed in the collection plate on Sunday or mailed to the church. You may also scan [this QR code](#), choose "MAM" under the fund choices, and indicate "Back-to-School" in the Memo field.
- Contact [Heather Burkhardt](#) for additional information.

LIGHTHOUSE EXPRESSIONS IN ART

Each Sunday after the 9:00 a.m. worship service, children are invited to join other children in the People Place (across from the Dining Hall) to create an art project based on that day's Let It Shine! lesson.

Help Meet MAM's Updated Supply Needs

Memorial Assistance Ministries has an urgent plea from the pantry team. Demand for pantry products has again peaked, and they are running very low on several items. Here is their latest list of needs:

- **Meals to Go**
 - Individually wrapped cheese/peanut butter crackers
 - Fruit strips
 - Trail mix
 - Vienna sausage
- **Hygiene Items**
 - Size 6 diapers
 - Baby wipes
 - Tissues
 - House cleaner
 - Deodorant for men and women
 - Lotion
 - Shaving cream

Many families continue to need help with the basics. Please keep the pantry in mind if any of your classes, youth groups, or other groups are looking for a project.

For additional information, contact our church liaison, Andrea Eubanks, [via email](#) or at 713.859.1448.

Fair Haven Food Pantry Needs Volunteers/Donations

The Fair Haven Food Pantry has been providing food to help people in the Spring Branch/Memorial area since 1975.

- Now operating under a client-choice model, **the pantry needs friendly volunteers** to help clients shop for their families, restock shelves, and assist with registration. Feeding the needy is part of serving one another, and as we serve others, we are serving Christ.
- **August Food Collection Items: Canned Fruit** (Thank you for not donating any glass containers or expired items.)
