Please Consider Making a Year-end Gift to the St. Francis Fund

Help make the holiday season *merry* and *bright* for every student through a year-end gift to the St. Francis Fund. To date, parent generosity has helped us secure over \$725,000 for the most important philanthropic request of the year (70 percent of our

goal!). **There are only a few short weeks left to make your tax-deductible gift in 2022, so please join your community in [giving a gift](#) to the St. Francis Fund today!**

To all our parents who have already made their annual gift to the 2022–23 St. Francis Fund, thank you!

Donate Gently Used St. Francis–Branded Items for Uniform Resale

Trying to clean out those closets? We're here to help! Donate any St. Francis–branded items or uniform clothing that is clean and in good used condition for resale to other school families. Accepted clothing includes regular and dress uniform items, plus St. Francis–branded hats, athletics shirts and shorts, hoodies, hair accessories, etc.—basically anything another pack member might enjoy!

- We will have bins at morning carpools on both campuses (all four divisions) on January 9–13. Please plan to quickly hand your donation through your car window to ensure the carpool runs smoothly.
- After January 13, you may drop off your donation at the Piney Point Campus front office.

A Big Thank-You From the St. Francis Parents Organization

Thanks to all the families who contributed to this year's Faculty and Staff Christmas Gift Fund. As a result of everyone's generosity, we far exceeded our goal with an increase in donations of 25 percent over last year! This much-loved tradition benefits all who work at the school and with our children, and expresses our gratitude and appreciation for their work and dedication. Thank you again for showing how much you care!

Support the Home Team!

The Booster Club invites you to come out and support our Wolves at this week's home games. We will be selling concessions at all games, and most items are \$2. Exact change is much appreciated. [Go to our Athletics page here](#) and scroll down to see the game schedule for the week.

Primary School

From the Primary I Teachers

“The child is made of one hundred. The child has a hundred languages, a hundred hands, a hundred thoughts, a hundred ways of thinking, of playing, of speaking. A hundred, always a hundred ways of listening, of marveling, of loving. A hundred joys for singing and understanding. A hundred worlds to discover, a hundred worlds to invent, a hundred worlds to dream.” —“No Way. The Hundred is There.” by Loris Malaguzzi

The passage above is an excerpt from the poem, “No Way. The Hundred is There,” which was written by Loris Malaguzzi, founder of the Reggio Emilia Approach. The belief that children have a hundred different languages or ways of expressing themselves is one of the foundational principles of the Reggio Emilia Approach, and the Atelier is a place where many of those languages are explored and expressed.

WHAT IS THE ATELIER?

According to *The Oxford Dictionary*, an Atelier is “a workshop or studio, especially one used by an artist or designer.” Within the Reggio Emilia Approach, the definition is very similar.

Veà Vecchi (2010)—the first Atelierista or teacher of the Atelier at The Diana School in Reggio Emilia, Italy—describes the Atelier as a place of research where imagination, rigor, experimentation, creativity, and expression interweave and complement each

other. It's a place where tools and materials make it possible for children to experience how their thinking takes on different forms and is expressed creatively.

WHAT ARE THE BENEFITS?

The Atelier is an open and flexible space, which means it has a way of connecting to all aspects of our curriculum—from the obvious strands of art and creativity to the more specific strands like math and science. It fosters experimentation, spontaneous creativity, social and emotional development, and inventiveness through the exploration of new, familiar, and recycled materials. It also supports collaboration, communication, and cooperation among students, educators, and family members.

The Atelier strengthens students' fine- and gross-motor skills and creates new windows for the expression of learning. It offers students the ability to grow their independence and skill by providing various mediums and methods to explore at their discretion. For example, the observational drawing of a pumpkin supports spatial awareness, memory, fine-motor skills, understanding of the world around them, focus and concentration skills, observational skills, foundational understanding of three-dimensional and two-dimensional objects, scale, depth, outline, and shape.

CONTINUED GROWTH AND REFLECTION

Students and teachers realize continued development in the Atelier as educators participate in professional development, share ideas, challenge themselves, and reflect on past experiences and the purpose behind those experiences. The students also have an essential role in the Atelier's development, as their ideas, interests, and projects are reflected on and explored.

As we continue to learn about the Reggio Emilia Approach, we will reflect on and modify how we utilize the space. As an example of this commitment to growth, two Primary I educators will join an in-person study group taking place at the Loris Malaguzzi International Center in Reggio Emilia, Italy, in April 2023. During this visit, they will learn from experts in the field and see examples both of the many opportunities that can happen in the Atelier and of ways to continue enriching students' learning.

Sincerely,

Cassi Agee, Annie Ferguson, Kristen MacDonald, and Andrea Scriber

Lower School

From the Division Head

The Christmas spirit has been alive and well in our Lower School since our return from Thanksgiving Break! On Friday, December 2, the Village Fire Department came to campus, and Santa greeted the students as they gave their toys to the firefighters serving as Santa's helpers. Lower School students were incredibly happy and generous as they donated gifts for "Toys for Tots." It was a delight to see students living out Acts 20:35, "It is more blessed to give than to receive."

As we conclude the first half of our 2022–23 school year and break for the Christmas holiday, I want to take a moment to express my sincere gratitude to all who help make our Lower School an amazing place to be. We are a community with many gifts and talents, which we share daily with one another and, most importantly, with our students. From the classroom to the home—and all the places in between—our joint efforts to grow children that are imaginative, critical thinkers and people for others is a pleasure to see in action daily.

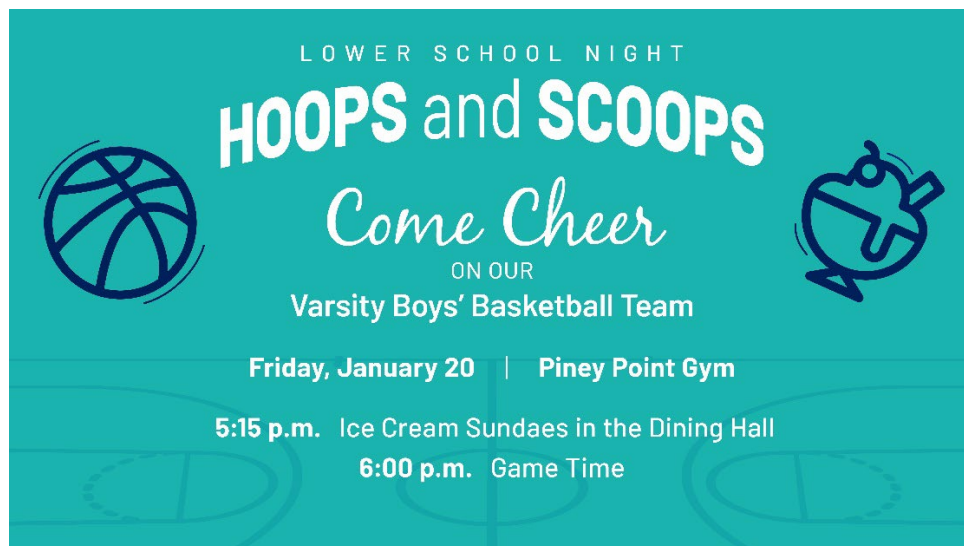

I look forward to spending this coming week with your precious children and to celebrating the joys of the holiday season. I hope you and yours have a blessed and safe Christmas and a Happy New Year!

Kind regards,

Clifton Walker, MEd
Head of Lower School

Middle School

From the Division Head

In the Advent season, Christians around the world anticipate the celebration of Christ's birth in Bethlehem, and they look forward to His Second Coming. It is a season of joy, appreciation, celebration, and reflection.

As a relatively new member of the St. Francis community, I have been reflecting on the messages that I have received in my St. Francis inbox. Overwhelmingly, those emails have been affirming, welcoming, and encouraging. It's been a bit surprising, because I have heard that the people who have something positive to say about schools, teachers, or leaders are much more reluctant to type their messages and hit "send." Maybe it's because they don't want to inundate them with unnecessary emails. Perhaps they assume others have already sent their messages, so it's not worth it. Maybe they just never get around to it.

I didn't notice anything in our St. Francis *School Handbook* about a new Head of Middle School having the authority to assign homework to parents and students, but I am going to try to do it anyway. If you have been encouraged or impressed by something a teacher, coach, or other SFES faculty or staff member has said or done, then I am asking you to type the email and send it. Let them know how it made you feel. Thank them. Celebrate them.

If they get inundated with a bunch of messages expressing gratitude and admiration, then they will probably feel a bit of the joy and gratitude that I feel as I wrap up month six as a St. Francis Wolf.

Thank you for showing me the St. Francis Way. Don't forget to type the email, send it—and have a Merry Christmas!

Upper School

From the Division Head

"Non ignara mali, miseris succurrere disco." —Aeneid, I.630

This will be our last *Wolf Watch* from the Upper School until the New Year. As we head into the Winter Break, we wish you and your family a wonderful time together, with much rest and recuperation from the year.

It's a time to think about all that we have experienced, how we have grown, and what is to come.

We also know that during this holiday season, some families are dealing with loss and difficulty. Moreover, many families around Houston have food insecurity. These couple of weeks off are a wonderful time for us to give back to our larger community—to truly be *people for others*.

In our last Chapel, I asked our students to remember the letters of gratitude they wrote to community members last month. It was such a powerful experience to see how much our students enjoyed sharing gratitude for teachers, custodians, and staff, who were lifted by such messages and who treasure these letters as keepsakes. Who else should our students be grateful for? What gifts have been given to our students?

Merry Christmas and happy holidays to all.

Warmly,

Marc Addington, MA
Head of Upper School

How to Watch Sunday Service Via Livestream

If you would like to join St. Francis Episcopal Church's 9:00 a.m. or 11:00 a.m. Sunday service via livestream, here's how to watch:

1. Open an Internet browser on your computer, laptop, or phone. Type in the St. Francis website—sfch.org.
2. Click on the “Watch Live Stream Worship Services” button. Either the 9:00 a.m. or 11:00 a.m. service will be available. If you prefer to watch from Facebook or YouTube, click on the links to go to those streaming servers.

Prelude music will begin on the livestream 10 minutes before the service to allow time for your connection and your inspiration. If you miss the live video, a recording of the service will also be available on [St. Francis's YouTube channel](#).
