The Upper School is looking for parent mentor volunteers for the Post-Secondary Success Program. Would you be willing to allow a senior to shadow you for a few days in May to gain exposure to a potential career? There is no commitment required to join the mentor database, just a willingness to serve as a potential resource should a senior desire more information about your field. To sign up as a potential mentor, and/or for more information about the Post-Secondary Success Program, please [email Tracey Addington](#).

#### **Friends of Fine Arts (FOFA) News**

Welcome to 2023! Pablo Picasso once said, “Art washes away the dust of everyday life.” Our children will be busy the remainder of the year scrubbing and creating their art to brighten all of our lives!

- Please join us for an *Upper School Art Exhibition* on Wednesday, January 11, at 6:00 p.m. in the Admissions Cottage on Couper Campus. We gather to cheer in the new year and walk together to the Student Life Building for the exhibit.

- Our next FOFA meeting will be on Tuesday, January 17, at 8:30 a.m. in the 9000 Westheimer Administration Building. All are welcome!

### **St. Francis Connections: Join Us This Wednesday**

What's happening in higher education? Where are the trends leading your children? How should you navigate these tricky and changing waters? This presentation will explain what's happening, where things are heading, and how to get there.

**RSVP here** to join us for coffee and light bites this Wednesday, January 11, at 8:30 a.m. in the Fine Arts Center.

Trying to clean out those closets? We're here to help! Donate any St. Francis–branded items or uniform clothing that is clean and in good used condition for resale to other school families. Accepted clothing includes regular and dress uniform items, plus St. Francis–branded hats, athletics shirts and shorts, hoodies, hair accessories, etc.—basically anything another pack member might enjoy!

- **We will have bins at morning carpools on both campuses (all four divisions) this week, from Monday, January 9, to Friday, January 13.** Please plan to quickly hand your donation through your car window to ensure the carpool runs smoothly.
- After January 13, you may drop off your donation at the Piney Point Campus front office.

### **Nominations Now Open for SFPO Officers**

It's time to start thinking about the 2023–24 St. Francis Parents Organization Executive Committee. The SFPO supports the mission of St. Francis by providing meaningful

volunteer opportunities for our parent community to uphold the four pillars of care and compassion, school spirit, teacher appreciation, and community-building.

- If you are interested in serving on the SFPO Executive Committee—or know someone who is interested—please [fill out this form](#).

## **Primary School**

### **From the Division Head**

Happy New Year! I hope that you enjoyed a wonderful and restful break. The Wynn children were all home for three days, and my heart was content as I watched them laugh, tell stories, play games, and reminisce about their best Christmas memories. It was just what my soul needed.

Last semester, Mr. Kochel wrote a *Wolf Watch* entry about the St. Francis Way. As we continue to guide our Primary School children in their growth as people for others, we are thrilled about the upcoming service-learning project entitled Barker's Pajamarama. Our annual pajama ingathering is named after Dianne Barker, Head of Primary School from 1992 to 2008, who started the tradition of wearing pajamas to school one day a year in conjunction with collecting books for donation.

We are honored to continue this beloved tradition of being people for others, while also partnering with Upper School students to help those in need at [Arms Wide Adoption Services](#). Primary School children are encouraged to donate a book of their choice and new pajamas, and Upper School children are encouraged to collect personal-care items and toiletries to donate. Through community service projects like our annual Barker's Pajamarama, students experience the joy of helping others while also having fun.

Primary School students experience many opportunities to be people for others as they navigate each day. We invite you to partner with us in helping students embrace this special opportunity to practice empathy by talking to your child about this service project and how it positively impacts the lives of others.

In kindness,

Kenyetta K. Wynn, EdD  
Head of Primary School

## **Lower School**

### **From the Division Head**

Happy New Year! I hope your 2023 is off to a great start.

Our Episcopal identity is at the core of all we do at St. Francis. One example of this was our student-only Lessons and Carols Chapel in December. To help keep the main thing the main thing, this was an intimate Chapel including only students, teachers, and chaplains. The Lessons and Carols service was run by members of our Fourth-Grade Leadership Council, with acolytes from grades K through 3 taking part in telling the story of Jesus's birth. This is what makes our Episcopal identity strong at St. Francis Episcopal School.

We have a calm few weeks ahead, and our teachers have started the new year off by revisiting routines and engaging our students in rigorous academic work. They are also looking forward to meeting with you to share your child's progress and ongoing goals at our upcoming Parent-Teacher Conference Day on Wednesday, January 25. Be on the lookout for an email regarding sign-ups for our conference day.

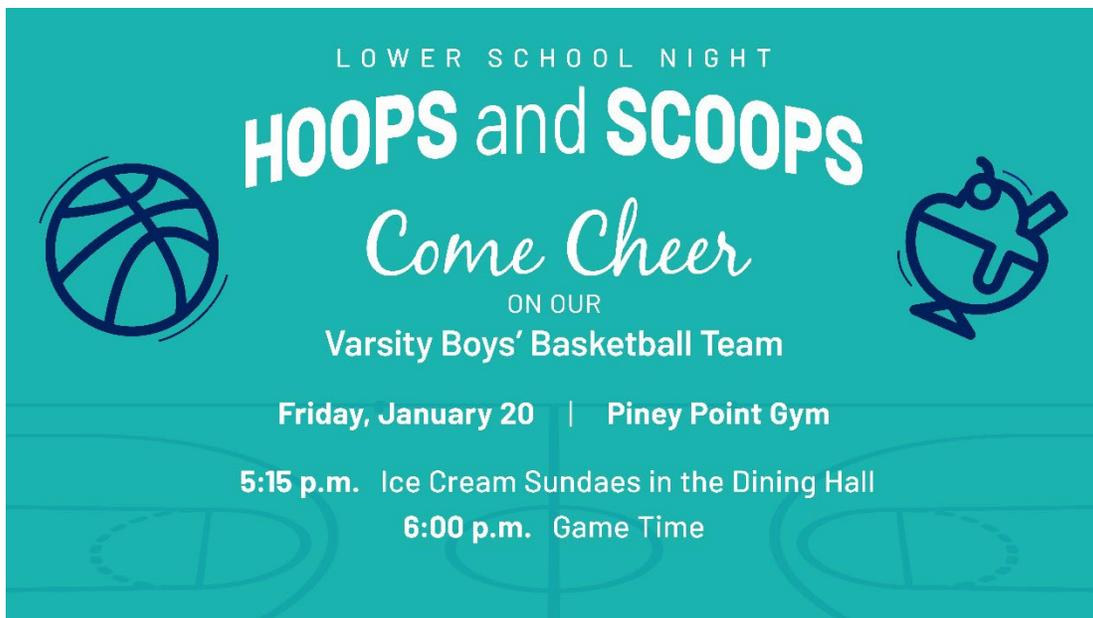

Have a great week ahead and a wonderful second half of our school year!

Kind regards,

Clifton Walker, MEd  
Head of Lower School

## **Middle School**

### **From the Division Head**

I'm sure you've heard the saying that "If you fail to plan, then you plan to fail." I'm not sure achieving success is that simple, but there's some truth in the axiom.

In advisory at the beginning of each week, students and advisors look ahead at the upcoming tests; quizzes; practices; and special class schedules, trips, or performances. They check their planners at the beginning of each class to make sure they have the

correct homework for the day. Teachers provide students with specific suggestions for how and when to best prepare for upcoming assessments.

Some students already have effective systems for managing their school and extracurricular activities. Some need a little help. Checking the boxes and getting all of the work done is important. Just as important is developing the ability to plan ahead, set priorities, and follow through on commitments. If you're interested, [click here](#) to read more about how students and teachers will be planning for success in 2023.

Planning for success,

Byron R. Williams, EdD

## **Upper School**

### **From the Division Head**

Christmas came twice to the Upper School this season, as we opened the new Student Life Center. To clamorous applause from parents, Board members, Primary School students, and alumni, our students entered their new building this past Tuesday. [Here](#) are some great Instagram pictures of the first day.

What this building means to us is inestimable. Teachers now have expansive and beautiful classrooms. Administration and staff all are gathered together in the same space. There is a flow and a spirit to having everything and everyone nearby. Sage Dining knocked it out of the park this week, with great food and an efficient delivery system.

In the coming weeks and months, we will learn how to use this space. Among our initial activities were a first student assembly on the grand staircase and collaboration opportunities for students upstairs.

Click on the links below to view photos of students using our new Student Life Center:

- [\*\*Mr. Baber guides the students toward respecting and taking care of our new space.\*\*](#)
- [\*\*Nora G. and Emilie D. work on an important project.\*\*](#)
- [\*\*Seniors Raad A. and Sam S. ponder the meaning of it all.\*\*](#)
- [\*\*Students gather in the morning for fellowship and tidy machinations.\*\*](#)

We are so very thankful for this space and know that it will give generations of St. Francis Wolves an inspiring place to learn and grow.

Warmly,

Marc Addington, MA  
Head of Upper School
