## News for the Week of February 19

### All School

#### **Varsity Boys' Basketball Team Wins Regional Playoffs!**

Congratulations to the Varsity Boys' Basketball team, which won its regional playoff game yesterday 93–56. The game was played at Allen Academy in Bryan, TX, and the Wolves had great support from students, parents, siblings, teachers, and administrators. With this win, the Wolves advance to the Final Four, which will be played this Wednesday and Thursday in Waco. Good luck to the team members as they continue to make history with their state tournament run.

### FINAL FOUR SCHEDULE

- Wednesday, February 22, at 2:00 p.m.—Final Four at University High School in Waco, TX
- Thursday, February 23, at 6:00 p.m.—Championship Game at Robinson High School in Robinson, TX

#### **Summer on the Point Registration Opens Tuesday**

Summer is just around the corner, and we have planned a summer packed with fun, adventure, and creativity.

- Some new highlights will include Live Action Angry Birds, Cupcake Wars, CSI Detectives, Storm the Castle, Habitats for Cats, and more. Familiar favorites such as Primary School discovery camps, JumpStart classes, basketball, and baseball will return for more fun.
- Registration opens this Tuesday, February 21, at 10:00 a.m. for students in Lower, Middle, and Upper School.

- Registration for students in Primary School opens this Wednesday, February 22, at noon. (We have split the registration start dates to avoid overloading the online registration system. Registration will be unavailable from 8:00 a.m. to noon on February 22 so that we may update the system to include Primary School camps.)

### **St. Francis Fund Giving Week Begins February 27**

The cast and crew of more than 75 students are creatively staging this jovial production! To attend, please [\*\*purchase your reserved-seating tickets online here\*\*](#).

## **Primary School**

### **From the Head of Curriculum and Instruction**

I hope you are enjoying this lovely, long weekend.

A significant component of the comprehensive, well-rounded educational approach at St. Francis is taking care of our physical well-being. Extensive research informs us how vital movement, physical-skill development, and exercise are to our spiritual, social-emotional, and academic learning.

This week, I want to highlight St. Francis's unique approach to physical fitness and extensive athletics opportunities in Primary School through twelfth grade. I asked Jamie Platt—our Associate Athletic Director, Director of PE, and Girls' Lacrosse Program Head (that's a lot of titles!)—to share with you about our PE and athletics programs. Our students are truly blessed at St. Francis to have these special physical education programs, athletics opportunities, and experienced coaches!

Have a wonderful week,

Carol Christ, MEd  
Head of Curriculum and Instruction

### **A Look at St. Francis's PE and Athletics Programs**

The physical education program at St. Francis Episcopal School emphasizes a "smorgasbord" of activities to help children develop fitness and skills. Fitness and skill development are the curricular cornerstones of the K–8 PE program at St. Francis.

### **PHYSICAL EDUCATION PROGRAM**

Every class has its own dedicated PE teacher. Our full-time educators at St. Francis have 59 total years of experience teaching physical education, in addition to all having been collegiate athletes and some even playing professionally! Above all, our PE staff

strives to develop high levels of self-esteem within each student and to encourage positive social interactions during classes and beyond.

In the gym and on the Outdoor Athletic Complex and fields, we actively teach skills that include:

- Throwing and catching
- Chasing, fleeing, and dodging
- Large-field sport games
- Striking with implements
- Use of long-handled and short-handled implements
- Volleying
- Kicking and punting
- Balancing and rhythms
- Dribbling with hands and feet
- Scooters and parachutes
- Cooperative activities and relays

We also dedicate the last class of each week to fitness concepts, using age-appropriate exercises and equipment to educate and promote a lifetime of physical activity in our students.

The evidence is mounting that the earliest years of a child's life are critical in developing movement and activity habits. Children who develop competency in movement patterns at an early age enjoy increased opportunities for health-related fitness as adults.

We believe in success for everyone! Skills are taught in logical, sequential order, gradually increasing in complexity, so each child will experience success while learning skills. A broad base of activities is offered to SFES students in order for them to identify many physical activities that are personally enjoyable and that they may continue throughout their lives.

St. Francis Episcopal School's physical education staff takes pride in teaching children the value of physical fitness and in providing numerous planned routines for developing fitness. Even strenuous exercise can be FUN when presented in a motivating, enjoyable manner!

### **PRIMARY SCHOOL FOCUS**

Beginning in Primary School at age 2, our students participate in Motor classes. We facilitate the growth of our youngest Wolves in a student-centered, developmentally appropriate environment, which is in-sync with the division's Reggio-inspired approach.

### **LOWER SCHOOL FOCUS**

In grades K–4, the program is based on a flexible skills-based approach. Each day, students experience a well-planned lesson consisting of an introductory activity, a fitness component, a weekly skill focus, and a game.

Students in grade 5 concentrate more on developing convergent skills, such as sports skills and specific fitness activities. We aim to introduce students to our athletics offerings, including strength training, agility and fitness, stretching, and group games.

### **MIDDLE SCHOOL FOCUS**

St. Francis's Middle School offers a comprehensive athletics program with fall, winter, and spring sports seasons. Students in grades 6–8 have the opportunity to participate on teams and compete against other schools throughout the year in the following sports:

- **Middle School Boys:** Cross-Country, Football, Volleyball, Basketball, Soccer, Swimming, Wrestling, Baseball, Lacrosse, Golf, Tennis, and Track & Field
- **Middle School Girls:** Cross-Country, Field Hockey, Volleyball, Basketball, Soccer, Swimming, Softball, Lacrosse, Golf, Tennis, and Track & Field

We're proud that more than 90 percent of students participate in at least one sport each year! Students who are not on a team are enrolled in a PE class. We are members of the Houston Junior Preparatory Conference (HJPC), which comprises K–8 and K–12 schools from the Houston area. We have won 31 HJPC championships.

### **UPPER SCHOOL FOCUS**

Upper School athletics began in the fall of 2018, when we opened the doors to our new Upper School. Since then, our Upper School athletes have made history with the division's first games and victories! As the division grows, we anticipate adding more sports offerings similar to those in the Middle School program.

Around 80 percent of Upper School students participate in athletics and compete in at least one of the following sports:

- **Upper School Boys:** Cross-Country, Volleyball, 6-Man Football, Basketball, Swimming, Soccer, Wrestling, Baseball, Golf, Tennis, and Track & Field
- **Upper School Girls:** Cross-Country, Volleyball, Basketball, Swimming, Soccer, Lacrosse, Softball, Golf, Tennis, and Track & Field

The cast and crew of more than 75 students are creatively staging this jovial production! To attend, please [purchase your reserved-seating tickets online here](#).

### Middle School Social Is Friday

Planned by the Student Council, the Middle School Social will be a night full of fun this Friday, February 24, from 6:30 to 8:30 p.m. at the Couper Campus fields and gym! Students in fifth through eighth grades are invited. There will be lots to do, including an inflatable obstacle course, a toxic meltdown, and of course, a dance floor and DJ!

- Play classic games like bowling and ping-pong, plus board games, card games, and more.
- Several sports balls will be available for students to use on the field.
- Each student will receive a voucher to get food from the event's food trucks, which will serve chicken, waffles, and fries.

Come for a night full of games, food, music, and fun!

### Eighth Graders: White-Shirt Day Is March 1

Eighth-grade parents, this is the time of year when we begin the traditional events that mark the recognition of our eighth-grade class and their accomplishments at St. Francis Middle School.

On **Wednesday, March 1**, eighth-grade students will participate in the filming of a portion of their Eighth-Grade Video, as well as take their class portrait. We ask that you make every effort to have your students here at school by 8:30 a.m. (Note: This is a Late-Start Day, so we are asking your students to arrive before school starts to get this filmed.) Students are allowed to be out of uniform on this day and are asked to wear the following clothing:

- Boys: White button-down shirt
- Girls: White blouse or nice white top (school-appropriate)
- All Students: Blue jeans with no holes or rips

Students may wear any school-appropriate shoes for this day. Boots are absolutely okay!
